JULY 2019

Employee of the Month

Lyndi LeMay
Speech Pathologist
Speech Therapy

I live in: Sterling

Joined CGH on: January 2, 2017

Education: Bachelor's and Master's degree from St. Ambrose University

Family: Husband, Mike; and daughter, Eleanor (1)

Proudest Achievement: My daughter, Eleanor, and finishing the Chicago Marathon in 2016

Hobbies: Spending time with family, reading, gardening, and spending time outdoors

My son has been seeing Lyndi once a week for the past two months. Being he is three years old, it cannot be the easiest to get him to say and do the things she needs him to do. My husband and I have seen such an improvement in the short amount of time Lyndi has been working with our son. We are so impressed how well she communicates with us on the things she is currently working with him, and on things we can work on at home. She has always been available anytime we have any concerns.

Prior to his last session, I made the mistake of telling my son we were seeing Lyndi that day. He talked about it for two hours before we got to the appointment. When we finally arrived to see her, he ran up to her and hugged her when she walked through the door. It made us so happy to see how much he loves her. We are so lucky to have such an amazing Speech Pathologist here at CGH.

~ Jill Halverson, GI Receptionist

We congratulate her on being chosen July's Employee of the Month.
