- **ResCare:** 406-251-9333, [rescare.com](http://rescare.com)

**Recruit Caregivers through patient's faith community or in local newspaper**

### Veterans

If you are a veteran please contact your Primary Care Provider or Nurse PACT Team Lead and inquire about caregiving services that are available.

- Veterans benefits may help pay for caregiving in the home by providing you with a VA caregiver or by providing payment of a caregiver you have already chosen to meet your needs.
- VA will complete a nurse assessment to determine eligibility and hours.
