8	\$93,260	-	\$139,890	\$139,891	-	\$186,520
EACH ADDITIONAL PERSON	\$ 4,540					

How to Read:

Have your gross income (amount before taxes) ready. Find the number of members in your household and determine where your gross income is on this table.

If your combined household income, for all working adults, is within the ranges above, and you meet policy requirements, you should qualify for a financial assistance discount.

Contact Financial Counseling for more information or use [this link](#) to download an application.
