

## Linking MyChart Accounts Across Organizations

1. On the main page once you are logged in, click **Profile** on the far right of the menu bar at the top of the screen.

2. Select Link My Accounts.

Log Out Profile	Ver en Español	
Preferences & Info	Account Settings	
Personalize	Security Settings	
Communications	Link My Accounts	
Personal Information	Log Out	

3. In the red box shown below, search for your other healthcare organization's name and hit either Enter or the spyglass on the right side of the box.

Bring Your Health Information Together
Discover Linked Accounts
You can now use MyChart to view your health information from other organizations where you and your family have records. See more 🗸
Discover accounts to link
Search by organization name, city, or state

4. In this example we have searched for Confluence. Click the **Link Account** button. This will take you to the other organization's MyChart page to log in. Once you successfully log in, follow the remaining prompts and your accounts will be linked.
