CANCER CENTER
BOOST
BBQ

This year has been a challenge for all of us but imagine being a cancer patient and trying to continue your treatments safely. Our services are still needed as much as ever—maybe more! We will be back next year with our silent auction but please consider a donation to one of our programs if you can.

Become a “Booster”, “Big Wig” or “Cheerleader”:

For many cancer patients, nutritional supplements and wigs are necessary during treatment but they are expensive. Goldschmidt Cancer Center is able to provide nutritional supplements to cancer patients in 23 counties and wigs free of charge through the money raised by the Boost BBQ. You can help by choosing to be a Booster (donating a case of nutritional supplement for $30), a Big Wig (donating $100 to purchase a wig) or a Cheerleader (donating $150 for a female patient to attend a 2-hour Look Good Feel Better workshop to learn to apply makeup for their changing skin and styling techniques for wigs and hair loss).
