The Grateful Patients and Families program provides a way to celebrate the great care you or a loved one received at Crossing Rivers Health. You are able to celebrate great care with a note of thanks and/or a gift that will make a direct impact on healthcare in this region.

Your kind words will both express gratefulness and extend support to the individual staff members and departments that played a meaningful role in the care you or your loved one received.

Your story will mean a great deal to our caregivers and their colleagues. Those recognized will receive a note of thanks and a special recognition lapel pin to wear proudly.

Gifts received through the Grateful Patient and Families program will be used to invest in technology and programs that will allow us to continue to provide the level of care that you deserve.

Our Mission

The Crossing Rivers Health Foundation, through philanthropic efforts, will support the Medical Center's mission, ensuring a lifetime of quality health care to the people of our regional communities.

“The hospital has always been a great source of comfort, knowing it is there to provide health care to us when we need it. It is important to all of us to help with its continued growth into the future, to ensure the hospital will be able to provide state-of-the-art health care to all of our children and their children.”

Jim Smith, Donor & Volunteer
