

Dear Cuero Health Supporter,

Cuero Regional Hospital is dedicated to the health and well-being of the citizens of DeWitt County, as well as the surrounding counties. COVID-19 continues with the latest surges to drastically change the landscape of healthcare in our rural area, but what hasn't changed is **our dedication** to our staff and patients in providing compassionate, safe healthcare in these uncertain times. Since the demand for our services is growing, as well as our expenses, we are asking for our area businesses and friends to **help us recognize staff during National Hospital Week, set for May 8-14, 2022**. We need your support more than ever to ensure our staff is thanked for a job well done and recognized for their efforts each and every day to meet our patients' needs and exceed their expectations.

Those that choose to sponsor Cuero Health's Hospital Week will receive exceptional recognition in all media, as well as personal thanks from our staff! **AND, BIG NEWS!**
