

### Jennifer McNeil, MD

Dr. McNeil is a board-certified surgeon with expertise in colon and rectal surgeries with an emphasis on abdominal and anorectal disorders. Using laparoscopy and other minimally invasive procedures, she provides surgical treatment for colon and rectal cancer, inflammatory bowel disease (IBD), pelvic floor issues, fecal incontinence and more.

Earlier in her career, Dr. McNeil was a member of the United States Army. During this time she attended medical school and served in various positions, including as chief of general surgery at Womack Army Medical Center at Fort Bragg. She also was recognized numerous times throughout her Army career for her contributions to foreign and domestic operations.
