Inter-Community Hospital Auxiliary Provides 350 Spaghetti Dinners For The Heroes That Work At ICH

Each and every employee at Inter-Community Hospital is a HERO, out their putting their lives and their families lives on the line for all of us each and every day. The give unselfishly.

With the assistance of Spaghetti Eddies, a local Glendora Restaurant, we gave each of our employees a complete spaghetti dinner on Monday April 20th. They were packaged by department for easy distribution and were picked up by a department representative.

The ICH Auxiliary provides service and fundraising for our hospital. We look forward to the time when we can get back to volunteering. We have sales at the hospital, no a Gift Box off
