Re: Medicare HMO Announcement

Emanate Health IPA is pleased to inform you effective June 1, 2020, Emanate Health IPA has executed a direct contract with Alignment Healthcare.

Alignment Healthcare is a Medicare Advantage HMO Plan who started their business in 2013 with the vision to deliver healthcare by leveraging innovative technologies and best practices to drive better outcomes for patients and their families. Since then Alignment Healthcare has successfully expanded their Medicare products throughout the State of California across seventeen (17) counties.

Emanate Health IPA is excited about this new partnership and we look forward to the opportunities to offer additional Medicare advantage HMO options for patients in the community.

If you have any questions, you can email us at IPASupport@EmanateHealth.org.

We thank you for your continued support!
