This event is named in honor of Vince Capitano. Come join us as we remember him for his kindness and many contributions over the years to our hospitals and community. Vince was a friend to all – and a class act.

With nearly one million people in its service area, Emanate Health is the largest health care system in the San Gabriel Valley, and includes Inter-Community Hospital in Covina, Queen of the Valley Hospital in West Covina and Foothill Presbyterian Hospital in Glendora.

When my late father, Vince Capitano, became involved with this tournament decades ago, he was motivated by two beliefs: his commitment to quality health care and his lifelong dedication to his community. Today, we celebrate those same values as we invite you to the 50th Annual Capitano Golf Classic, hosted by Emanate Health Foundation. Dad would be so proud to see how Emanate Health is redefining health care throughout the San Gabriel Valley, and in support of that vision, I hope you will join us for the premier golf event in the region. All proceeds from this tournament benefit our local health care system, including our three hospitals, and we appreciate your partnership!

– Adam Capitano
Chair, 2024 Capitano Golf Classic Committee

I shared many precious memories with my father, including this moment from 2015 with me and Dad at one of his last Emanate Health Golf Classic Golf Classics.
