INTRODUCTION

Welcome, we know your health is important to you. We will do all we can to help you with your health care needs. Our Provider Directory (Directory) will help you get started in making decisions about your health care. Here you will find a listing of health care providers in Ventura County that are contracted with Gold Coast Health Plan. The Directory includes the list of Primary Care Providers who are available to be selected as your medical home.

This list is subject to change, and you will be notified if the doctor you choose is no longer available. For the most current list of providers, please visit our website at www.goldcoasthealthplan.org or contact Member Services at 1-888-301-1228.

Choosing a Primary Care Provider (PCP)

- Your PCP is the doctor that will provide most of your health care. Your PCP will give you regular check-ups and see you when you are sick. Your PCP will know your medical history and what medicines you take. Your PCP will also refer you to other doctors or to the hospital if needed.
- When you first become a Gold Coast Health Plan member, you have one month (30 days) to pick a PCP. If you do not choose a PCP, Gold Coast Health Plan will select one for you.
- Choose a doctor or clinic in the area you live. This makes it easier for you to receive care when you need it.
- Choose your PCP by selecting their PCP ID No. which can be found with their listing in the Directory.
- This Directory provides the PCP or Clinic name in A-to-Z order by city. The Directory also lists the doctors' address, phone number and office hours.
- Each family member can have his/her own PCP or you can select one PCP for the entire family.
- If you are pregnant you will still need to choose a PCP. Your Obstetrician is not a PCP. A doctor or clinic specializing in Obstetrics and Prenatal Care will only treat you during your pregnancy; for all your other medical care you will need to see your PCP.
- Remember to always carry your State Medi-Cal Beneficiary Identification Card (BIC), your Gold Coast Health Plan identification card, and any other insurance identification card(s) you may have with you.
- If you need help, please call Member Services at 1-888-301-1228 or 1-888-310-7347 (TTY/TTD).

If you need assistance please call 1-888-301-1228 or 1-888-310-7347 (TTY)

INTRODUCCIÓN

¡Bienvenido!, sabemos que su salud es muy importante para usted. Haremos todo lo posible por ayudarle a cubrir sus necesidades de atención médica. Nuestro Directorio de Proveedores (Directorio) le ayudará a empezar a tomar decisiones sobre su atención médica. Aquí encontrará un listado de los proveedores de atención médica en el Condado de Ventura que tienen contrato con el Gold Coast Health Plan. El Directorio incluye el listado de los Proveedores de Atención Médica Primaria que están disponibles para seleccionarlos como su hogar médico.

Este listado está sujeto a cambios y se le notificará en caso de que el médico que eligió ya no esté disponible. Para obtener el listado de proveedores más actualizado, por favor, visite nuestra página de Internet en www.goldcoasthealthplan.org O llame a Servicios para los Afiliados al 1-888-301-1228.

Elegir un Proveedor de Atención Médica Primaria (PCP por sus siglas en inglés)

- Su PCP es el médico que le proporcionará la mayor parte de su atención médica. Su PCP le hará chequeos regulares y lo revisará cuando esté enfermo. Su PCP conocerá su historial médico y los medicamentos que usted toma. Asimismo, su PCP lo derivará con otros médicos o al hospital, en caso de ser necesario.
- Cuando usted se convierte en un afiliado del Gold Coast Health Plan, cuenta con un mes (30 días) para elegir un PCP. Si usted no elige un PCP, Gold Coast Health Plan seleccionará uno por usted.
- Elija un médico o clínica dentro del área donde usted vive. Esto hace más fácil que usted reciba la atención médica cuando la necesite.
- Elija a su PCP seleccionando el No. de Identificación del PCP, el cual se encuentra incluido en el Directorio.
- Este Directorio proporciona los nombres de los PCP o Clínicas en orden alfabético y por ciudades. El Directorio también proporciona la dirección, el número telefónico y el horario del consultorio del médico.
- Cada miembro de la familia puede tener su propio PCP o usted puede seleccionar un PCP para toda la familia.
- Si usted está embarazada, también necesitará elegir un PCP. Su Médico Obstetra no es un PCP. Un médico o clínica especializada en Obstetricia y Atención Prenatal solamente la tratarán durante su embarazo; para todo el resto de su atención médica, usted necesitará acudir con su PCP.
- Recuerde siempre llevar consigo su Credencial Estatal de Identificación de Beneficiarios de Medi-Cal (BIC), su credencial de identificación del Gold Coast Health Plan y cualquier otra identificación de seguro(s) que usted tenga.
- Si usted necesita ayuda, favor de llamar a Servicios para los Afiliados al 1-888-301-1228 o al 1-888-310-7347 (TTY/TTD).

Si usted necesita ayuda, favor de llamar al 1-888-301-1228 o al 1-888-310-7347 (TTY)
