Re: **Department of Health Care Services (DHCS) Medical Audit**

Date: May 24, 2018

Gold Coast Health Plan (GCHP) is scheduled to go through a medical audit by the state Department of Health Care Services (DHCS) from June 4 to 15.

As in prior years, representatives from DHCS will be visiting various providers from GCHP's network. If DHCS selects your site for a visit, the agency will contact you directly. If GCHP receives additional information, you will receive an update.

If you have any questions, please email ProviderContracting@goldchp.org.
