| | | The Minutes of September 8, 2010 Commission meeting were presented for review and approval.
| | | Commissioner Long moved to approve the August 23, 2010 minutes, Commissioner Chair Powers seconded.
| | | Commissioner Juarez moved to approve the September 8, 2010 minutes, Commissioner Berry seconded
| | | Approved 10-0.
4 Public Comment / Correspondence | | Member of the public, Elenor Torres indicated that she was a

Ventura County Public Health
2240 E. Gonzales Road, Suite 200
Oxnard, CA 93036
community member, business owner in the area and candidate for the School Board. She explained that she was present in support of friends that are concerned with their health care. She was concerned that commission members would lose their compassion and cause. She wanted to remind the Commissioners that one day they will be held accountable for the decisions made on this commission.

Member of the public, David Cruz stated that he is a business owner in the community and resident of Ventura. At the last meeting he requested that the Commission take more time researching and appointing a CEO and thanked the Commission for rescheduling the appointment and giving the community an opportunity to be here. We want someone with the right skills for this job. He announced that there are people that are going to the County for services and people need to know that they can go to other facilities. Mr. Cruz requested that information needs to be out in Spanish as well as English.

Member of the public Jim Hensley expressed his appreciation that there is openness on the topic of CEO. He understood that the meetings were closed when there were 30 plus applicants, but when it's down to 3-4 it should be open. We need for it to be open to the public and even in Spanish as this is a $300,000,000 enterprise. It is extremely important who is selected, but also that the process is open.

Commission Chair Powers thanked the individuals for coming forward and addressing the Commission. He reminded those present that this committee is comprised of individuals that have passion.

Interim CEO Stanley added that there was a letter included in the packet from Mr. Cruz (Attachment 4).

Commissioner Long expressed her appreciation for the comments. The people on this commission are folks that serve this population. Our goal is to have first choice quality care.

| 5 | Defer Closed Session Today, Select Alternative Date and Time Within Next Two | Recommendation from Commission Chair. Powers to Reschedule Planned Close Session and Select Alternative Date and Time as Soon | Commissioner Maurice moved to adjourn to |

**As Possible as Dr. Chawla is out of the Country.**

Commissioner Long expressed her appreciation for the Commission allowing her to interview the candidates by telephone.

Commissioner Juarez moved Commission Chair Powers recommendation. The motion died due to a lack of a second.

Commissioner Long moved to adjourn to Closed Session for further discussion. And expressed that the longer we take to make a the longer the community has to wait to have a choice.

Commissioner Berry seconded the motion to adjourn into Closed Session.

Further discussion was held regarding the need for a motion as the Closed Session was on the Agenda.

Commissioner Long withdrew her motion.

Discussion was held regarding postponing decisions just because one Commissioner is or is not in attendance at a meeting. Alternatives were discussed, and Legal Counsel Lee reminded the Commissioners regarding the rules and by-laws of the Commission.

Commissioner Maurice moved to adjourn to Closed Session.

Commissioner Long seconded, motion carried with Commissioner Juarez voting no explaining that he did not believe a motion was necessary to go into Closed Session since it was on the Agenda.

Commissioner Long moved to amend the order of the Agenda.

Commissioner Berry seconded. Motion carried

Adjourn for Closed Session at 3:30 p.m.

Public Employee Appointment or Employment (Gov. Code § 54957.)

Title: Chief Executive Officer-Final Selection and Job Offer

</tbody>
</table>
Reference checks and background searches have been done. Tentative date for interview by absent Commission Commissioner is scheduled for late September, and decision is tentatively scheduled for 9/27/2010 at full Commission Meeting.

CFO and CMO: Tentative date for Executive Finance Committee to review candidate applications is 9/27/2010.

DGR, DHS, DCS, DIT, DMS, DPR: Preliminary interviews with the candidates will occur the week of 9/13/2010.

Added by Terrie Stanley, Interim CEO.
Interviews for CEO candidates completed with final selection scheduled by board today.

CFO candidates reviewed by Executive Finance at meeting earlier today. Top candidates will then be scheduled to begin the interview process with group the week of October 4. Director candidates screened by LGS and Interim CEO.

Phone screening process developed and finalized. Interested candidates to have initial interviews week of October 4.

**CONTRACTING AND NETWORK DEVELOPMENT**
Primary Care Contracting: Milliman in possession of data needed on claims history and Commissionershio categories to develop capitation rates for primary care physician services.
GCHP needs to provide the list of services included in PCP capitation which is in review by Physician Committee.
Hospital Contracting: All hospitals in Ventura County have been visited in person by Interim CEO and Contracting Consultant.

Contracts as well as a non-disclosure agreement (NDA) were presented to hospital fiscal and/or managed care divisions. NDA will serve purpose of assuring hospitals their confidential C-MAC rates will not be disclosed by GCHP staff.

**Specialty Physician Contracting:** Letters to specialist in the county being sent to determine interest in contracting with GCHP. Plan will contract with groups but process must be transparent and allow for access for all Commissioners. Hospitals have provided (or in the process of) list(s) of hospital based specialty groups for services such as Anesthesia, ER, hospitalist services, pathology, and radiology.

**Ancillary Contracting:** Letters to ancillary providers being sent to determine interest in contracting with GCHP. Have had interested providers in the following areas contact plan directly: Long term care, Medical Transportation,
The Gold Coast Work Plan Action Steps were reviewed.

Accept September 27, 2010 Interim CEO Report to the Ventura County Medi-Cal Managed Care Commission including LGS Staffing Report, DHCS Contract Deliverables, GCHP Contracting Process.
Tin Kin Lee  

Legal Counsel Lee explained that the Code follows that State guidelines and will allow transparency to the public.

10 Legal Counsel Memorandum re: Telephonic Participation at Commission Meetings  

Legal Counsel Lee reviewed the Attorney General’s Opinion regarding participation by Teleconference and the fact that alternate locations must still comply with the Brown Act, and the ADA.

12 Final Comments from Commissioners  

Commission Chair Powers expressed his appreciation for the progress report, it is extremely important that things are done right so there are no problems later. He then thanked the Commissioners for their time dedicated to the Commission.

Commissioner Long expressed her appreciation in, and the fact that there will be a lot of opportunities for public input.

13 Adjourn  

The Meeting adjourned at 5:25 p.m.
DATE: October 25, 2010

TO: Ventura County Medi-Cal Managed Care Commission

FROM: Gold Coast Health Plan Executive/Finance Committee
Terrie Stanley, Interim CEO Co-Chair

SUBJECT: Health Education League of America- Response to Request for Television Coverage of Scheduled Meetings

Recommendations:

Recommendation #1- Direct staff response to the request to cover meetings cover the following points:

- The committee determined broadcasting could be accomplished without disruption. The direction given was for the Interim CEO to request information from HELA as to how the programming will be funded as there should not be an expectation for GCHP to pay for any such "informational broadcasting". The same would be offered to any other interested entity wishing to provide coverage to the public.

- If Commissioner participation is being requested, that will be subject to the individual's availability, willingness, as well as the need to comply with Brown Act requirements as per Gov. Code § 54952.

Recommendation #2- Accept GOLD COAST HEALTH PLAN'S CONSUMER AWARENESS CAMPAIGN STRATEGY

Discussion:

On October 3, 2010, the attached correspondence was received in the coehstquestions mailbox. This was also sent to the following individuals: Jim Hensley of League of United Latin American Citizens, Michael Powers Chair of the VCMC; Terrie Stanley Interim CEO; and Tom Kisken of the Ventura County Star. In anticipation of the need for a response to this request, the following information regarding the requirements under the Brown Act concerning the items HELA is requesting was discussed at the Executive Finance Committee meeting of October 13, 2010.

**Gov. Code § 54953.6 pertaining to broadcasts of public meetings:**

"No legislative body of a local agency shall prohibit or otherwise restrict the broadcast of its open and public meetings in the absence of a reasonable finding that the broadcast cannot be accomplished without noise, illumination, or obstruction of view that would constitute a persistent disruption of the proceedings."

Regarding the live broadcasts, the Commission is under no obligation to make any arrangements — it only needs to make a reasonable determination as to whether to allow the broadcast based on whether they are disruptive.

Regarding participating in informational broadcasts, the letter does not say who they are requesting to participate. If it is Commissioner participation that is being requested, that will be subject to their availability, willingness, and compliance with Brown Act requirements as per Gov. Code § 54952.2(b) and (c) as follows:

(b) (1) A majority of the members of a legislative body shall not, outside a meeting authorized by this chapter, use a series of communications of any kind, directly or through intermediaries, to discuss,
deliberate, or take action on any item of business that is within the subject matter jurisdiction of the legislative body.

(2) Paragraph (1) shall not be construed as preventing an employee or official of a local agency, from engaging in separate conversations or communications outside of a meeting authorized by this chapter with members of a legislative body in order to answer questions or provide information regarding a matter that is within the subject matter jurisdiction of the local agency, if that person does not communicate to members of the legislative body the comments or position of any other member or members of the legislative body.

(c) Nothing in this section shall impose the requirements of this chapter upon any of the following:

(1) Individual contacts or conversations between a member of a legislative body and any other person that do not violate subdivision (b).

(2) The attendance of a majority of the members of a legislative body at a conference or similar gathering open to the public that involves a discussion of issues of general interest to the public or to public agencies of the type represented by the legislative body, provided that a majority of the members do not discuss among themselves, other than as part of the scheduled program, business of a specified nature that is within the subject matter jurisdiction of the local agency. Nothing in this paragraph is intended to allow members of the public free admission to a conference or similar gathering at which the organizers have required other participants or registrants to pay fees or charges as a condition of attendance.

(3) The attendance of a majority of the members of a legislative body at an open and publicized meeting organized to address a topic of local community concern by a person or organization other than the local agency, provided that a majority of the members do not discuss among themselves, other than as part of the scheduled program, business of a specific nature that is within the subject matter jurisdiction of the legislative body of the local agency.

(4) The attendance of a majority of the members of a legislative body at an open and noticed meeting of another body of the local agency, or at an open and noticed meeting of a legislative body of another local agency, provided that a majority of the members do not discuss among themselves, other than as part of the scheduled meeting, business of a specific nature that is within the subject matter jurisdiction of the legislative body of the local agency.

(5) The attendance of a majority of the members of a legislative body at a purely social or ceremonial occasion, provided that a majority of the members do not discuss among themselves business of a specific nature that is within the subject matter jurisdiction of the legislative body of the local agency.

(6) The attendance of a majority of the members of a legislative body at an open and noticed meeting of a standing committee of that body, provided that the members of the legislative body who are not members of the standing committee attend only as observers.

Gold Coast Health Plan staff has been working to create a Consumer Awareness Campaign Strategy that was presented and additional recommendations added as per the committee's suggestions.

Communication was sent to David Cruz on October 14, 2010 requesting clarification of the request. To date, a response has not been received.
October 4, 2010

Commission Members,
Ventura County COHS
2323 Knoll Drive
Ventura, CA 93003

Transmitted Via Electronic Mail – cohquestions@ventura.org

Dear Commission Members,

On behalf of the Health Education League of America (HELA), a community based organization comprised of local residents, we urge your immediate compliance with critical requirements delineated in Ordinance #4409 adopted unanimously by the Ventura County Board of Supervisors on December 29, 2009 enabling the formation of the County Organized Health System (COHS). Article 6 entitled “General Provisions”, Section 1380, sub-section 1380-2, paragraph “a” states that the Managed Care Commission was created, in part, for “…the provision of (Medicare and Medicaid) health care services to persons who are eligible to receive medical benefits…” under title 18 and 19 of the Social Security Act. Also, sub-section 1380-4, paragraph “e” states the Commission is charged with, “Placing a high priority on prevention, education, early intervention services and case management for enrolled recipients”.

Our concern about COHS compliance is in the following context:

- The majority (57-percent) of existing COHS stakeholders are Latino.
- According to the 2010 U.S. Census, 38.5% of our residents are persons of Hispanic or Latino origin.
- Ventura County has the 28th largest Latino population of the nation’s 3,141 counties.
- Thirty-three percent of our population speaks a language other than English at home.

On the latter point, Arbitron reports that for the 11th consecutive period, Spanish-language radio is #1 in Ventura County and five of Ventura County’s 15 commercial radio stations broadcast in Spanish.

Moreover, 39% of California’s 13.4-million Latinos are non-native born (first generation immigrants) and the median age of Latinos statewide is 27 compared to 43 among non-Hispanic whites, a predictor that the above-cited percentages are certain to increase.

It is incumbent upon you to ensure that timely, accurate information about COHS’ actions reaches all of the constituents you were created to serve which numerous Latino residents and organizations inform us is not happening at present. We therefore urge you to undertake with HELA providing live Television and Radio bilingual (English/Spanish) broadcasts of your public meetings and proceedings and participate in regular bilingual informational broadcasts about COHS program services. This will help fulfill the stated requirement to “educate” the majority of the 110,000 individuals presently covered under Medi-Cal in Ventura County and further ensure COHS meets “the provision of (Medicaid and Medicare) health care services to persons who are eligible to receive medical benefits” but who are not being reached with information on health care to which they are lawfully entitled.

We look forward to your reply.

Sincerely,

David Cruz
President

cc: League of United Latin American Citizens (LULAC)
GOLD COAST HEALTH PLAN’S CONSUMER AWARENESS CAMPAIGN STRATEGY

Purpose:

The successful development and implementation of Gold Coast Health Plan will require coordination with and responsiveness to both the local provider and consumer communities. In order to maximize the effectiveness of this task, Gold Coast Health Plan will implement an outreach and communications strategy aimed at both of these critical elements within the Ventura County marketplace. Outreach efforts to the provider community are already under way. The following narrative describes the proactive approach that will be taken to be inclusive of all interested Ventura County Medi-Cal consumers and establish a meaningful dialogue. This will be done in order to solicit input, active cooperation, and support for changes that will be taking place in moving from the current fee-for-service environment to managed care.

Strategy:

Gold Coast Health Plan will implement a campaign whose goal is to reach the consuming members of the public in order to effectively open channels of communication, spread the facts of what will change, and secure support for the forthcoming comprehensive program.

Population Segments and Targets:

The consumer awareness campaign will be directed towards the end-users—Medi-Cal Beneficiaries, who will be assigned to the Gold Coast Health Plan, as well as advocacy groups or agencies that focus on working with the needs of the population. The following Ventura County groups will be targeted for outreach efforts and exposure to Gold Coast Health Plan’s programs and principles:

- Lower income groups and those on cash assistance or CalWORKS
- Persons on Social Security Income
- Seniors and Persons with Disabilities
- Young mothers and their children (or soon-to-be young mothers)
- Ventura County Foster Parent Association, Ventura County Foster Care (Human Services Agency), Multidimensional Treatment Foster Care (MTFC), Casa Pacifica, & Supportive and Therapeutic Options Program (STOP)
- Limited English proficient individuals
- Patients residing in Long Term Care facilities
- Other critical groups to be identified as the campaign rolls out

In trying to reach these constituencies, Gold Coast Health Plan will make reasonable efforts to establish connections with all Ventura County advocacy groups that are dedicated to serving this population. Such advocacy group targets may include but not be limited to:

- Public housing and tax exempt charitable organizations such as Rescue Mission Area Agency on Aging, Braille Institute of America, Health Insurance Counseling and Advocacy Program (HICAP), Society for the Blind, Tri-County GLAD, Independent Living Resource Center, and similarly focused organizations
- Interface Children Family Services, First 5, La Leche League, Head Start, WIC or similar child-oriented programs
- Spanish language print and other media communication outlets
- Senior Centers, Adult Day Health Care Centers, Meals on Wheels, Senior Concerns, and similar organizations or groups in the community that may benefit seniors, caregiv-
ers, and the families and friends of those who are chronically ill, impaired, or home-bound

- Groups that have appeared before the Gold Coast Health Plan Governing Board
- Local offices of Employment Development Department, Veterans’ Affairs, etc.
- Camarillo Health Care District, free clinics and other organizations providing services to the population
- ARC - Ventura County, Tri-County Regional Center, and other organizations providing educational, vocational, and residential services to people with developmental disabilities
- CAUSE (Coastal Alliance United for a Sustainable Economy)
- LULAC (League of Latin American Citizens)
- School Districts within Ventura County
- Faith-based organizations
- Consumer Action Groups
- Other advocacy groups that are identified as the campaign unfolds

Methods of Engagement:

Gold Coast Health Plan has already contacted many of these groups in an effort to initiate dialogue and solicit support. It is Gold Coast's continued goal to solicit their intellect, harness their initiative and engage their energy and enthusiasm needed to design, develop and implement highly effective communication channels and employ up-to-date and state-of-the-art methods to secure the interest and support of their consumer community constituencies.

Communication Distribution Channels:

Gold Coast Health Plan will work with community groups and advocates to design and distribute simple, clear and concise messaging that can be easily disseminated throughout the Ventura County community. Products might include but not be limited to:

- Simple flyers in both English and Spanish distributed in high foot traffic locations
- Print and mass media that is of no cost to the organization and provides Public Service Announcements
- Community meetings, hosted town hall gatherings and health fairs to promote and explain GCHP
- Presentations to local community groups
- Announcements and presentations at local churches and faith-based events
- Other “ad hoc” opportunities that may arise

Action Steps:

In order to implement this plan and achieve the desired outcomes of community awareness and outreach, the following steps will be taken:

1. Assign GCHP staff responsible for the implementation of the plan and provide a regular report of activities to the appropriate Governing Body.

2. Research the local Ventura County community and identify as many advocacy groups as possible willing to assist and gain access to the population that will be served.
3. Contact community/organizational leaders or assigned agency staff to obtain their commitment to assist with the awareness and participation of their constituents.

4. Conduct face-to-face meetings with GCHP staff to clarify the organizational goals and objectives and seek input and support to maximize success.

5. Conduct regular meetings with advocacy groups to design communication pieces and most effective channels and methods of distribution.

6. Continuously gauge effectiveness and measure participation from targeted community groups.

7. Discard methods and practices proven to be suboptimal; expand avenues that elicit the best response, highest participation levels or other measures of satisfactory outcomes that will help GCHP achieve targeted goals.

8. Invite supportive agency representatives to be seated on the ongoing Member/Consumer Advisory Committee. Continued participation will assist the Commission as it formulates ongoing policy and gain beneficial insights from their unique perspectives in serving their constituencies.

Timing:

At present, Gold Coast Health Plan is in a transitional state of readiness. The current Interim CEO (Terrie Stanley) and one Management Consultant from Regional Government Services (Paul Roberts) are fully engaged with the development of policies and procedures, producing contract deliverables for the Department of Health Care Services, and soliciting providers for the emerging contracted network. Gold Coast Health Plan’s IT vendor, ACS, is fully engaged with system configuration and operations preparations in addition to assisting with the demands and details of provider network start-up. In short, there are current staff resources in place at present are limited to commence the important consumer awareness campaign. This is only a temporary situation.

A permanent CEO is scheduled to start the first week of November. Shortly thereafter the final interviews of C-level (CFO, CMO, etc.) and several key Director-level positions will be completed, staff selected and appointed. Other important work activities including but not limited to this consumer awareness campaign may then be properly staffed and initiated.

Once implemented, the program can begin producing positive, demonstrable movement within 4 to 6 weeks. After the main course has been established, mid-course corrections will be effected and ongoing consumer outreach efforts will be pursued on a continuous basis.

Per the Department of Health Care Services requirements, formal individual beneficiary notification will be initiated by the Department itself in the form of a “90 day letter.” By that point in time, it is anticipated there will be broad understanding of and acceptance for the newly formed plan. Outreach and educational efforts will not stop there. On the contrary, Gold Coast Health Plan will continue to connect with beneficiaries and focus on the reduction of barriers to a smooth start-up, transition, and program implementation.
OCTOBER 25, 2010-Interim CEO Report to the Ventura County Medi-Cal Managed Care Commission

Mr. Earl Greenia will be starting employment as the permanent CEO for Gold Coast Health Plan on November 2, 2010. I have been asked by Mike Powers, Commission Chair to prepare a transition plan and present for your review. It is anticipated that the plan can be carried out over a two week period of time. I would look to the Commission to be involved with Mr. Greenia’s introduction to the provider community as that process will occur over a much longer timeframe. I will be returning full time to my position within the County of Ventura’s Health Care Agency. I thank you for the opportunity to have served this important process over the past year and a half as I was also involved in the preliminary stakeholder process and formation of the ordinance with the Ventura County Board of Supervisors.

Over the course of the last six months, much work has been accomplished. Following is a list of key deliverables that have been put in place for the incoming administration:

- Creation of the ByLaws for the Operation of the Ventura County Medi-Cal Managed Care Commission
- Creation of Structure and Purpose for Committees of the Commission-Provider, Member, Quality, and Credentials
- Administrative Service Provider Contract Negotiation and Implementation
- Secure start-up funds of $2.3 million from ASP, with additional up to $1 million from staffing contractor
- Selection of and implementation of contract with Regional Government Services to Provide Recruitment, Staffing and Employee Benefit Administration
- Retained Beecher Carlson as Insurance Broker to Develop Insurance Strategy which included Directors and Officers Liability and General Liability for Occupancy of Office
- Creation of the Executive-Finance Committee
- Policy for CEO signing authority
- Provider Reimbursement Policy
- Contracting templates for PCP, Hospitals, Specialist, LTC and Ancillary Service Providers
- Administrative Member Policy
- Auto Assignment Policy
- Budget approval
- Pharmacy Benefits Manager Contact Negotiations
- Selection of Legal Counsel to the Commission
- Selection of a name (DBA) for the new health plan
- Selection of office location and lease negotiation
- Quality Improvement Activities for Gold Coast Health Plan
- Establishment of the Conflict of Interest Code
- Process for creation and final selection of plan logo
- Retained Milliman to provide analysis of proposed rates from the State
The contracting process is moving along. *To date, Gold Coast has a commitment from over 100 providers expressing a desire to contract with Gold Coast Health Plan so they may provide services to Medi-Cal beneficiaries in Ventura County.*

**The following documents and items will be reviewed and covered in detail:**

Summary Report of the Ventura County Stakeholder Group process that formed the Medi-Cal Managed Care Commission

Organization Reference Binder that contains the following:

- Meeting Schedules for Board and Exec-Finance
- Listing of all Commission and Committee members
- Current timeline for Project Implementation

DATE: October 25, 2010

TO: Ventura County Medi-Cal Managed Care Commission

FROM: Terrie Stanley, Interim CEO

SUBJECT: Results of Gold Coast Health Plan, Covery Professional Services and City Creative Group Logo Design and Stakeholder Input Process.

Recommendation:
Accept the results of the community input process for Gold Coast Health Plan logo and select a final version.

Discussion:

On October 13, the Executive-Finance Committee approved and made final recommendations on the GCHP Logo design from the above named vendor and authorized the Interim CEO to execute the process of posting the two final selection options on the Gold Coast Health Care Plan website for the purpose of soliciting input from stakeholders. That was carried out on October 14 and sent to over 100 individuals and representatives of over 30 professional groups and organizations who represent beneficiaries or services provided to beneficiaries. These entities and individuals were asked to also solicit input from their respective organizations. Media outlets including both the Ventura County Star and Health Education League of America were also invited to participate.

All information was also posted to the web-site and the email address for the Interim CEO and the COHS organization were provided.

The process ended at 5 PM on Thursday October 21 to allow staff time to tally results and review any final information as well as comments received.

A tally of the results is presented today for your consideration to approve the preferred and final option for Gold Coast Health Plan.
Logo Option B
AGENDA ITEM / PRESENTER

1. Call to Order
   Welcome and Roll Call
   Terrie Stanley

MOTIONS / MAJOR DISCUSSIONS

- The meeting was called to order at 1:10 p.m.
- All Members present, except for Co-Chair Egan.
- A quorum was present.

Co-Chair Stanley welcomed everyone and introduced a new contract employee, Paul Roberts, consultant and provided an overview of his extensive background in HMO's.

2. Public Comment / Correspondence
   Member of the public, Mr. Rossi expressed his concern that approximately two months previously he had requested to review the vendor contracts. Co-Chair Stanley advised that the final contract was just completed and would now be available.

   Mr. Rossi requested a list of providers.

3. Review and Approval - Minutes August 23, 2010 and September 9, 2010
   The Minutes of August 23, 2010 Committee meeting were presented for review and approval.
   The Minutes of September 9, 2010 Committee meeting were presented for review and approval.

ACTION TAKEN

Commissioner Dial moved to approve the minutes of August 23, 2010; Commissioner Powers seconded.
Approved 6-0.

Commissioner Powers
<p>|   | Approval of Caverly Professional Services and City Creative Group Proposal and Process for Logo Selection for Gold Coast Health Plan | Co-Chair Stanley gave a brief background of the RFP process, which included 4 vendors for the Logo development and explained that Caverly with City have over 35 years combined experience. Co-Chair Stanley also noted that the project cost was reasonable at $2,000 and that Caverly could meet the aggressive timelines. Lynette Caverly gave a brief overview of her background. Copies of logos of other similar public health plans in California were reviewed as well as the time-line for the logo development process. Ms. Caverly expressed her desire to have one or two logos that the Committee would strongly endorse. The goal is to have the logos back to the Committee by the next meeting. The cost of black and white, as well as multiple color logos was discussed. The Committee requested that several choices be provided, even some with more than two colors. Commissioner Rodriguez asked how to ensure that the mark is unique. Co-Chair Stanley explained the process that will be used. Co-Chair Stanley stated that Legal Counsel recommends that “Public Entity” be a part of the brand as it would announce to the public that any claims to be filed against the Plan would need to follow the California Government Code processes. Commissioner Powers suggested more than just a name be used, so that it is warmer for the public. Further discussion was held were it was expressed to bring out the word “gold” in the name because it invokes quality. Member of the public, Mr. Rossi inquired if there would be public input. | Commissioner Dial seconded. Approved 6-0. |</p>

<td>Update – Gold Coast Health Plan Staffing</td>
<td>Co-Chair Stanley stated that she, Jennifer Bower and Candice Limousin did some initial scoring of applicants and developed screening questions that could be used for an initial phone interview. Ms. Limousin stated that there has been excellent response to job postings with over 200 applications received. There are many well qualified applicants. The majority of applicants are local or at least within California. Commissioner Juarez asked if the top candidates would be requested to travel for in-person interviewing and would the travel expenses be reimbursed. Ms. Bower responded that it was up to the Commission.</td>

FROM: Terrie Stanley, Interim CEO Co-Chair

SUBJECT: Services to be Included in Primary Care Capitation

Recommendation:

Accept the ad-hoc physician group's list of services to be included under Gold Coast Health Plan PCP capitation.

Discussion:

At the June 28th meeting of the VCMCC, the interim CEO was directed to bring together a group of practicing physicians to review the proposed list of services to be considered for inclusion under the capitation rate paid to primary care. In the absence of a Chief Medical Officer, Commissioner Dr. David Araujo graciously agreed to chair a meeting bringing together a group of Primary Care Physicians. Members of the group included representation from Clinicas Del Camino Real, Community Memorial Hospital's Centers for Family Health and the Ventura County Clinic System. At the Executive Finance Committee meeting of September 27, further input was requested from community physicians in private practice. The group met on September 17th and again on October 1. A special thank you to the following Physicians who participated with GCHP and Dr. Araujo in the process:

Dr.'s Nasr Anees, Enrique DeLaGarza, Theresa Enriquez, John Ford, Steven Jones, John Keas, Michelle Labu, Linda Lundeen, David Lyons, Stanley Patterson, Victor Pulidouri, Guillermo Rios-rios, Josephine Soliz, and Ramsey Ulrich.

SUBJECT: VCMC and Executive Finance Committee 2011 Meeting Schedule

Recommendations:

Recommendation #1 Accept Commission 2011 meeting dates.

Recommendation #2 Accept Executive Finance Committee 2011 meeting dates.

Discussion:

As a public entity, all GCHP meetings are subject to the Brown Act and must be appropriately noticed. The Commission has also posted the annual schedule on the website. In order to accommodate the public and secure a location large enough to accommodate interested parties, staff has secured the current meeting locations for calendar year 2011. Also, in recognition of the time commitment made by all commissioners and committee members, GCHP staff is providing these dates to you so that you can make note of them for both your and your staff’s scheduling purposes. The dates of all meetings are presented for approval.

DATE: October 25, 2010

TO: Ventura County Medi-Cal Managed Care Commission

FROM: Michael Powers, Chair, Ventura County Organized Health System
       Jennifer Bower, Regional Government Services Human Resources Consultant

SUBJECT: Recommendations from October 13, 2010 Executive Finance Committee: Chief Executive Officer Compensation and Benefit Information

Recommendation:

Recommendation #1
Approve standard salary, benefits, and contract provisions as indicated below for Chief Executive Officer position.

Recommendation #2
Approve other salary, benefits, and contract provisions as indicated below for Chief Executive Officer position.

Discussion:
Gold Coast Health Plan selected Regional Government Services Authority (RGS) to provide employee services. It anticipated approximately forty employees, with other positions being contracted through various other service providers. Through RGS, a national recruitment was undertaken for the Chief Executive Officer position with significant efforts made to attract qualified candidates. Over eighty applicants responded. Of those candidates, the Finance Executive Committee selected eight to interview, and subsequently forwarded four of those candidates to the full Commission to determine who RGS should offer to employ as the Chief Executive Officer, assigned to Gold Coast Health. The new CEO will then make the selection on all other positions assigned to Gold Coast Health with participation by the Commission for the Chief Financial Officer and the Chief Medical Officer.

After deliberation, on September 27, 2010, the Commission unanimously selected Earl Greenia to be its first Chief Executive Officer for Gold Coast Health. Mr. Greenia comes to this assignment with considerable experience. He initially selected November 16, 2010 as his start date as Mr. Greenia currently works in Hawaii, and needed to leave his current employer with adequate notice as well as set up temporary housing arrangements in Ventura County until more permanent housing could be found.

At the Commission chair’s request, Mr. Greenia moved his start date up first to November 1, 2010 and later to November 2, 2010. Because he will be leaving Hawaii on October 30, 2010, Mr. Greenia is unable to arrange temporary lodging or get his car to California by his November 2, 2010 start date. The Commission initially approved total available funding for compensation and benefits for its various classifications. However, with the CEO, CFO, and CMO classifications, it was expected that some requests may be outside of the funding allocations and would need to be approved by the Commission.

Compensation and Benefits: The following is Mr. Greenia’s compensation and benefits requests. Those items listed as standard are already provided. These items listed as different need to be reviewed and approved so that the formal employment agreement can be finalized.
<table>

</tr>
</tbody>
</table>
DATE:  October 25, 2010
TO:  Ventura County Medi-Cal Managed Care Commission
FROM:  Michael Powers, Chair, Ventura County Organized Health System
  Jennifer Bower, Regional Government Services Human Resources Consultant
SUBJECT:  Recommendation from October 13, 2010 Executive Finance Committee,
  Interim Staffing Assignments – Status Update

Recommendation:
Approve making interim assignment offers for the select positions of Chief Financial Officer,
Chief Medical Officer, Director of Claims Services, and Director of Information Technology.

Discussion:
Gold Coast Health selected Regional Government Services Authority (RGS) to provide
employee services to its new entity. It anticipated approximately forty employees, with other positions
being contracted by various service providers. Through RGS, a national recruitment
was undertaken for 9 positions, including Chief Executive Officer (CEO), Chief Financial
Officer (CFO), Chief Medical Officer (CMO), as well as the 6 Director positions in member
services, claims services, information technology, health services, government relations, and
provider relations with significant efforts made to attract qualified candidates. RGS received
applications for all positions.

On September 27, 2010, the Commission selected a new CEO, Earl Greenia, who will be
starting work on November 2, 2010. Since that selection was made, all other position selections
have been put on hold, pending the arrival of Mr. Greenia. Gold Coast Health will not be ready
to start operations as soon as it is expected to, and given feedback from State agencies on this,
the Executive Finance Committee thought it would be appropriate to make some interim
staffing assignments in the areas of Chief Medical Officer, Chief Financial Officer, information
technology, and claims. The Commission already has several interim staff assigned: Interim
CEO, Terrie Stanley, Interim Project Consultant, Paul Roberts, Interim Clerk of the Board,
Traci McGinley, and Interim Human Resources Manager, Candice Limousin.

Staff checked with Mr. Greenia and he is amenable to having interim assignments as long as he
is able to review the applications for those who are interested (selected only from the best
qualified candidates) and that no person offered an interim assignment is guaranteed a full-time
regular appointment without his approval first.

RGS has made contact with about 20 candidates, and has received reports of several who are
receptive to interim assignments. With the Commission’s approval, RGS will begin offering
interim assignments, effective 10/26/2010, with bringing the interim positions on board as soon
as possible. The Interim Chief Executive Officer will oversee assignments given to staff until
Mr. Greenia is in place to take on his new role.

Compensation for these positions will be at no higher than the salary originally determined and
will include only the legally required benefits. Only if these candidates are later offered regular
employment, will full benefits be provided.

## Immediate Staffing Requirements

### CMO

- Physician committee formation for:
  - State required medical policy and procedure
  - Medical Management Plan-determination of criteria to acquire
  - Authorization / referral guidelines
    - Services requiring auth/workflow
    - Rules for auth @ go-live
  - P&T Committee structure and formation:
    - Formulary
    - Pharmacy Management and Workflows
  - Credentialing committee structure and information
Immediate Staffing Requirements

**CFO**
- State required fiscal policies and procedures
- Plan for meeting IBNR requirements
- Analysis of feasibility to implement risk pool
- Review proposals and select Stop-Loss/Reinsurance carrier
- Financial software system decision and implementation plan

**Claims Lead**
- Claims configuration/adjudication rules for payment set-up

**IT Lead**
- Infrastructure
  - Network
  - Connectivity
  - Phone
  - Hardware
  - Software installations as needed
