Re: **CORRECTION – ACA 1202 PCP RATE INCREASE**

Date: October 22, 2014

Gold Coast Health Plan (GCHP) incorrectly reported information in Section 1 of the recently published Provider Operations Bulletin (POB) regarding the ACA 1202 PCP Rate Increases.

The article incorrectly states:

Gold Coast Health Plan (GCHP) is happy to announce that we have received funding from the California Department of Health Care Services (DHCS) for the ACA 1202 PCP Rate increase for claims incurred during the period of August 1, 2013 through ~~*December 31, 2014.*~~

The dates reflected in the article are incorrect. The article should read:

Gold Coast Health Plan (GCHP) is happy to announce that we have received funding from the California Department of Health Care Services (DHCS) for the ACA 1202 PCP Rate increase for claims incurred during the period of August 1, 2013 through *December 31, 2013.*

The remainder of the article is unchanged.

We regret any inconvenience this may have caused and will notify all impacted parties when additional funding is received from DHCS. Please contact me if you have any questions.
