

On the fence?

**We're here for you when you need us.**

If you're still deciding whether or not to get vaccinated for COVID-19, we encourage you to talk it over with your trusted health care provider.

**It's *your* choice to make.**

You and your provider know your health and your body best. Trust your provider to understand, listen to and respect your questions and concerns. Talk about it.

**Then, make up your mind.**

There is a lot of information, *and misinformation*, surrounding the COVID vaccines.

**BEFORE YOU SAY NO,  
TALK TO YOUR PROVIDER.**
