# COMMUNITY EASTER EGG *hunt*

We're going on an Egg Hunt! For this event, a dozen Lancaster businesses will have Easter Eggs in their windows! Each egg features a Grant Regional Health Center service or provider. Find all 12 eggs and match them on your Egg Hunt guide below! Then take a photo and return this guide to GRHC Foundation at [foundation@grantregional.com](mailto:foundation@grantregional.com) or drop them off at the hospital Main Entrance vestibule! We will draw winners to win Easter baskets! Check out the other side of this guide for more information about our services! Happy Easter from Grant Regional Health Center!
