

Grant Regional Health Center Foundation

HEALTH CAREER SCHOLARSHIP Terms & Conditions

Grant Regional Health Center Foundation, Lancaster, Wisconsin, will award four \$1,000 healthcare scholarships to successful applicants in 2021.

Eligibility to apply: Those eligible to apply include individuals beginning or continuing their enrollment in a healthcare program at a fully accredited two- or four-year college between late May and Fall of 2021.

Priority will be given to residents of Grant County, especially those in Cassville, Fennimore, Iowa-Grant, Lancaster, Potosi or River Ridge school districts. Individuals who previously received a GRHC Foundation scholarship are not eligible to apply for a second time.

A selection committee will evaluate applicants for the four - \$1,000 healthcare scholarships based on their:

- ◆ intent to pursue a career in the healthcare profession;
- ◆ academic achievement (grades and class standing);
- ◆ involvement in school and/or community activities;
- ◆ commitment to their chosen field;
- ◆ demonstrated integrity and work ethic.

Deadlines:

Applications are due on or before	April 1, 2021
Awards will be announced by	May 7, 2021

Upon award of scholarship:

The applicants selected to receive a scholarship in 2021 will sign an agreement with GRHC Foundation outlining the conditions for release of funds. Payment will be made after the committee receives verification that the student has successfully completed one semester of the course/program. (\$500 after the first semester and \$500 after the second semester). The recipient is responsible for obtaining this verification.
