Chicken Bone Broth

INGREDIENTS

organic chicken stock, organic chicken flavor (contains organic chicken).

INGREDIENTS

chicken broth*, chicken flavor*, carrot juice concentrate*, sea salt, yeast extract, onion juice concentrate*, onion powder*, potato flour*, garlic powder*, tomato paste*, turmeric*, carrot powder*, canola oil*, spice*, flavor. organic

While we might use the terms stock and broth interchangeably, there's a technical difference between the two:

- Stock is made using bones. Broth is usually not.
- The bones add a rich and strong flavor to soups. The "meat only" in broth makes for a blander result.
- Because broth has less flavor, it tends to have more additives like MSG and flavor concentrates.
