- From I-77, take I-40 West.
- Traveling West on I-40, watch for the US 21 exit and go south to Statesville. At the end of the exit ramp, cautiously turn left, then get into the right lane to continue through the traffic diamond. Turn right onto Carolina Avenue North, then left onto Brookdale Drive. The emergency entrance and parking for the tower will be on your right. For the main entrance, drive past the front of the hospital and turn right onto Hartness Road. The visitor parking lot entrance will be almost immediately on your right.
- If you are traveling East on I-40, take Exit 151 and turn right. Turn right onto Carolina Avenue North, then left onto Brookdale.
- For Women's Health Center and Outpatient Services Building, turn right onto Hartness Road. The Outpatient Services' entrance is on the right (the 3rd parking section behind the hospital). The Women's Health Center is just beyond that, also on the right.
