## GOLF CO-CHAIR MESSAGE

Indiana Regional Medical Center's (IRMC) humble beginnings started in 1914 and were founded upon ensuring that no one was denied medically necessary care. In keeping with that vision, the Indiana Healthcare Foundation Columbus Day Golf Outing supports IRMC by directing charitable proceeds from this event to the hospital. This year, the funds will provide transportation of cancer patients to and from the IRMC Cancer Center in partnership with UPMC Hillman Cancer Center for radiation and chemotherapy treatments via two transportation vans. With treatments being needed everyday for so many days/weeks it is sometimes a hardship for patients to get transportation to and from the treatment center. The transportation van has served 8,460 patients since June 2009. This service is provided at no charge to the patient. Our service area includes Indiana, Jefferson and parts of Cambria, Somerset, Armstrong and Westmoreland Counties. Your support of our annual Golf Outing will help to fund this initiative and provide the essential transportation to allow cancer patients to get the medically necessary, quality care they need. You can be assured that your gift of financial support or time and talent will enable IRMC to continue its commitment to make care available to those in need.
