Dear Provider:

KHS recently implemented 3 new member incentive programs to encourage our members to obtain regular preventive care.

1. **Pregnancy Incentive** – members who attend at least 6 prenatal visit and 1 post-partum visit within 3-8 weeks after delivery will receive a voucher in the amount of \$65 in the mail. The voucher can be used at Toys-R-Us or Babies-R-Us in Bakersfield towards a pack-n-play crib or diapers/wipes.
2. **Well-Child Incentive** – members (12-23 months of age) who attend a Well-Child visit will receive a voucher in the amount of \$25 in the mail. The voucher can be used at Toys-R-Us or Babies-R-Us in Bakersfield towards an umbrella stroller.
3. **Initial Health Assessment Incentive** – newly enrolled members who visit their Primary Care Provider within 120 days of enrolling will receive a first aid kit in the mail.

Eligibility for these incentives is determined through claims data. As a provider, you will not need to do anything other than submit a claim for members who receive services.

Included with this bulletin is a copy of our program flyer. If you need additional copies or have questions, please call 1-800-391-2000 and ask for the Health Education Department.

Sincerely,
