COVID-19 Vaccination

Dear Provider:

The California Department of Public Health (CDPH) is conducting a campaign with the goal to equip providers with tools and techniques to proactively discuss COVID-19 with patients. The campaign website:

<https://eziz.org/covid/30conversations/>

offers training videos, slide, FAQs (frequently asked questions) for parents and adults, and additional COVID-19 educational resources.

The campaign is also offering FREE brochures with FAQs related to adult and adolescent COVID-19 vaccination in both English and Spanish.

Additional Resources:

If you have questions, please contact your Provider Relations Representative at (661) 664-5000.

Thank you,

Melissa Lopez
Provider Relations Manager
