Medi-Cal Rx Reinstatement of Phase II- IV

Dear Provider,

The Department of Health Care Services (DHCS) recently updated their communication regarding the reinstatement of Prior Authorizations. The reactivation of the prior authorization has unique parameters that are spelled out in several bulletins from DHCS. DHCS has set a proposed schedule to reinstate prior authorizations for the remaining therapeutic classes (STCs). This will be accomplished over time through a series of Phases and Waves. Notices will be sent ahead of the planned implementation of each Phase/Wave. As it is tentative, please refer to the websites below for the latest information. The impacted drugs/drug classes can be found on a weekly publication called Reinstatement Spotlight and on the Reinstatement Web Page at Medi-Cal Rx.
