Re: Initial Health Assessment

The Department of Health Care Services requires all Primary Care Physicians to complete an Initial Health Assessment (IHA) for all newly enrolled Medi-Cal members within the first 120 days of the member's enrollment with the plan.

In an effort to assist providers in complying with this requirement, KHS has now added a downloadable list of IHA eligible members to the Provider Practice section of your Dashboard. The list is available under the MCAS tab where you can export the list into Excel.

If you have any questions, please feel free to contact your Provider Relations Representative at 661-664-5000.

Sincerely,

Jake Hall  
Provider Network Manager
