### Claris Health

Dear Provider,

Kern Health Systems (KHS) recently contracted with a company called Claris Health who will be assisting with auditing various high-dollar claims and will also be conducting APR-DRG coding review. Claris could be contacting your office to request medical records and or itemized bills to support the audit process. Claris will send a letter indicating they are assisting KHS with claims audits and will specify what information is necessary. Please **only** send the documentation requested.

For any questions, please contact your Provider Relations Representative at 1-800-391-2000.

KHS posts all bulletins on the KHS website, [www.kernfamilyhealthcare.com](http://www.kernfamilyhealthcare.com), choose Provider, then Bulletins.

Sincerely,

Melissa McGuire  
Deputy Director of Provider Network
