Covid-19 Vaccine Status Feature on KHS Provider Portal

Dear Provider:

In an effort to increase compliance with Covid-19 vaccination rates, Kern Health Systems now offers a Covid-19 Vaccine immunization status feature on the provider portal.

To access the Covid-19 tab, please visit the Kern Family Health Care portal:

<https://provider.kernfamilyhealthcare.com/v3app/publicservice/loginv1/login.aspx?bc=1215a844-d81f-4be0-ac1c-92dd137dd90c&serviceid=05411915-5bc6-4527-97a6-45b09eebde3>

After logging in, click on the Provider Practice tab, then Covid-19 tab. This tab allows you to see a list of assigned members who are fully vaccinated, partially vaccinated, and not vaccinated. This tab will also provide a breakdown of the different Covid-19 brand of vaccinations given to your assigned membership. You also have the option to download a list of non/partially vaccinated members.

If you have questions, please contact the KHS Provider Relations Department at (661) 664-5000.

Thank you,

Melissa Lopez
