MCAS (Managed Care Accountability Set) Coding Information

Dear Provider,

KHS has created a MCAS coding card as a reference guide for your office to use. The card provides CPT codes to capture completion of various measures including BCS (Breast Cancer Screening), AMR (Asthma Medication Ratio), PPC (Prenatal and Postpartum Care), etc.

The card can be located on the KHS website under Providers, Quality Improvement:

If you have any questions, please feel free to contact your Provider Relations Representative at 661-664-5000.

Thank you,

Melissa Lopez
