- □ **Communication**: Listen actively; communicate with empathy and gather information in a respectful manner; Speak and write in client's preferred language and at an appropriate literacy level; Document activities and services and prepare written documentation; Ensure language interpretation and access to translation services
- □ Interpersonal/Relationship Building: Establish relationships, and assist in individual and group conflict resolution; Recognize and appropriately respond to the beliefs, values, cultures, and languages of the population served; Provide informal counseling; Maintain confidentiality of client information and act within Health Insurance Portability and Accountability Act (HIPAA) requirements
- Service Coordination & Navigation: Identify and access resources; Help others navigate services and resources; Coordinate referrals and follow-up and track care and referral outcomes; Assess client needs using strength-based approaches
- □ Capacity Building: Identify problems and resources to encourage and help clients solve problems themselves; Collaborate with local partnerships to improve services, network and build community connections; Assess the strengths and needs of the community; Build leadership skills for yourself and others in the community
- □ Advocacy: Participate in organizing others, use existing resources and current data to help others promote a cause; Identify and work with advocacy groups; Stay abreast of structural and policy changes in the community and health and social service system; Speak up for individuals or communities to overcome intimidation and other barriers
- Organizational Skills: Plan and set individual and organization goals; Plan and set up presentations, educational/training sessions, workshops, and other activities; Effectively manage time and prioritize activities, yet stay flexible; Gather, document, and report on activities within legal and organization guidelines
- □ Teaching/Education Skills: Use methods that promote learning and positive behavior change; Use a variety of interactive teaching and coaching methods for different learning styles and ages; Plan and lead classes; Evaluate the success of an educational program and measure the progress of individual learners
- □ Knowledge Based Public Health Principles & Social Drives of Health: Gain and share basic knowledge of the community, health and social services, specific health issues; Understand social determinants of health and health disparities; Stay current on health issues affecting clients and know where to find answers to difficult questions; Use and apply public health concepts

Section VI. CHW Application Signature

Please read the following statements carefully. Sign or type your name below to indicate your understanding and acceptance of these statements in the space provided.

- I certify that all the information provided by me in connection with this application is true and complete. I understand providing false or misleading information, material omissions or misrepresentations which is used in determining my qualifications may result in the voiding of the application and failure to be granted CHW network participation.
- I agree to abide by Kern Health Systems (KHS) Policy and Procedures, KHS provider service agreement, the Department of Health Care Services All Plan Letter 22-016, 42 CFR 440.130(c) and any subsequent updates, related to Community Health Worker Service Benefit.
- I certify and attest to having 3-years experience that aligns with and provides connection between the CHW services I provided and the member or population being served. I further give KHS permission to verify any information, work or volunteer experience, and references, which are important in determining my qualifications.
- I understand the application and supporting documentation submitted become the property of KHS and are non-returnable.
- I shall advise KHS PNM-Credentialing Department of my current address immediately, but no later than 10-days, of any changes of address or within 1-day of other significant changes in my work, volunteer status and/or certification.
- I understand Kern Health Services awards certification to community health workers with necessary skills and competencies based on completion of required training and/or relevant experience. Employers are responsible for verification of applicants' personal or background information.
- I acknowledge that this Application for Certification is not a contract between me and Kern Health Systems and does not make me an employee, agent, contractor, or representative of Kern Health Systems.

ACCEPTABLE)	

Section VII. Supervising Provider / Attestation & Acknowledgement

TO BE COMPLETED BY SUPERVISOR(S) LISTED IN SECTION III Form must be submitted with Application

- I attest that as the Supervising Provider, I meet the qualification as a licensed provider, or other acceptable supervising provider designated within a hospital, outpatient clinic, local health jurisdiction (LHJ) or a community-based organization (CBO), employing or otherwise overseeing the CHW, with which Kern Health Systems (KHS) contracts.
- I agree to ensure that the CHW meets the qualification listed in the KHS Policy and Procedures, KHS provider service agreement, the Department of Health Care Services All Plan Letter 22-016, 42 CFR 440.130(c) and any subsequent updates, related to Community Health Worker Service Benefit.
- I agree to oversee the CHW and the services delivered to KHS beneficiaries, and submit claims for services provided by the CHW.
- I understand as the Supervising Provider, I must maintain evidence of the CHWs education, minimum qualifications, training, and additional relevant training annually and will provide, upon request, to KHS Staff or DHCS Staff.
- I acknowledge responsibility for ensuring the provision of CHW services complies with all applicable requirements and will provide direct or indirect oversight to the CHW including but not limited to; guiding CHWs in providing services, participating in the development of a plan of care, and following up on the progression of CHW services to ensure that services are provided in compliance with all applicable requirements. Indirect oversight includes, but is not limited to, ensuring connectivity of CHWs with the ordering entity and ensuring appropriate services are provided in compliance with all applicable regulations.
- I understand Kern Health Services awards certification to community health workers with necessary skills and competencies based on completion of required training and/or relevant experience. Employers of the CHW are responsible for verification of applicants' personal or background information.
- I understand it is my responsibility to submit to KHS PNM-Credentialing Department all CHW Applications prior to any CHW initiating services to a KFHC Members; claims will be denied if services are rendered prior to receiving approval of the CHW or prior to receiving an official approval letter and effective date. I further understand my responsibility to notify KHS PNM Department of any changes to my practice, including changes to the CHWs providing services in my office including those who are no longer active, or who have significant changes in their work, volunteer status and/or certification immediately, but no later than 10-days of any changes.
