### LTC / SNF -Billing

Dear Provider,

Effective June 15, 2024, KHS will begin denying claims if both accommodation value codes for two different revenue codes aren't listed. For instance, if a facility bills both room and board (rev code 0101) and bed hold (rev code 0185 or rev code 0180) on the same claim, they must include value code 24 and accommodation value code for both revenue codes.

Below is a screenshot of a UB04 form. Only accommodation code 07 is billed with value code 24 for the 0101-rev code, but it's missing for the 0185-rev code.
