### How do I get NEMT?

Your health care provider must prescribe NEMT by sending us a completed Physician Certification Statement (PCS) form. The PCS form will tell us what type of NEMT transportation your health care provider recommends.

### Do I need a PCS form each time I request NEMT?

No. Your PCS form expires 12 months after the form is filled out by your health care provider and is good for all rides to your medical appointments as long as you are eligible with KFHC.

### How do I schedule NEMT?

To schedule a ride to your medical appointment, call KFHC Monday through Friday, from 7:00 am to 6:00 pm, at (661) 632-1590 or 1-800-391-2000 and choose option #3 to reach our Transportation Department. Your PCS form must be on file at the time of your call. The Transportation Department is available 24 hours a day, 7 days a week for urgent or after hours assistance.

### What is Non-medical Transportation (NMT)?

NMT is round trip transportation to and from a Medi-Cal covered service for members who can confirm that they have no other way to get to their medical appointment.

### How do I get NMT?

KFHC's Transportation Department is able to help with your transportation needs. You can call our Transportation Department Monday through Friday, from 7:00 am to 6:00 pm, at (661) 632-1590 or 1-800-391-2000 and choose option #3. ### What kind of NMT will I receive?

Our Transportation Department will work with you to find the transportation options that you qualify for.

### What NMT options are there?

KFHC offers bus passes, rideshare (such as Uber), and mileage reimbursement.
