Medi-Cal Rx Correction to Limitation of Contraceptive Supply

Dear Provider,

The Department of Health Care Services (DHCS) recently updated their communication regarding the processing of female/internal condoms. There was a problem with claims for these supplies having an incorrect quantity limit set on them. DHCS just issued this clarifying bulletin regarding the process for rebilling if necessary for previous claims and appropriate billing for future claims.

The updated DHCS notice regarding the process for billing female condoms can be found here:

KHS posts all bulletins on the KHS website, www.kernfamilyhealthcare.com, choose Provider, then Bulletins.
