KHS Mid-Year Push for MCAS

Kern Health Systems is excited about mid-year push to increase our MCAS compliance. The year is flying by, but KHS MCAS Measures have shown significant improvement from last year.

The mid-year push is going to focus on increasing MCAS measures that are extremely close to Minimum Performance Level – Our focus will be on:

- Immunizations for Adolescents – Combination 2* IMA
- Lead Screening in Children (LSC)
- Well-Child Visits in the First 30 Months of Life – 0 to 15 Months – Six or More Well-Child Visits (W30-6+)
- Well-Child Visits in the First 30 Months of Life – 15 to 30 Months – Two or More Well-Child Visits* (W30-2+)
- Chlamydia Screening in Women (CHL)
- Breast Cancer Screening (BCS)
- Cervical Cancer Screening (CCS)

The MCAS Team at Kern Health System will support your team in any way possible to meet MPL.

The outreach team at Kern Health System will be supporting with this initiative on contacting member and scheduling them, working together will make it easier to stride to for better outcomes. Better outcomes mean better opportunities for you as providers and your team. Your Provider Representative will support you with any questions that you may have regarding the benefits of meeting the MPL within any of the P4P measure.
