Health Equity and Learning Committee Meeting

Dear Provider,

Kern Health Systems (KHS) Health Equity Office (HEO) is in the process of scheduling the first Health Equity and Learning (HEAL) Committee meeting. As a valued provider, your insights and experiences are crucial in shaping the future of our health equity initiatives. The HEAL Committee aims to gather direct feedback from providers to shape training programs, share resources, and explore opportunities for expanding access and services that align with health equity initiatives.

If you would like to join the HEAL Committee meeting, please email Marilu Rodriguez at Marilu.Rodriguez@khs-net.com. You will then receive a Doodle form via email to choose your preferred meeting date. **Please submit your response by August 13th, 2024.**

For your convenience, the first meeting will be held virtually. Your participation in this meeting will help us ensure that our efforts are impactful and truly reflective of the needs of our providers, members and our community.

If you have any questions or need further information, feel free to reach out to us at HealthEquity@khs-net.com.

KHS posts all bulletins on the KHS website, www.kernfamilyhealthcare.com, choose Provider, then Bulletins.

Sincerely,

Marilu Rodriguez
