

Awards and Recognition

In health care, recognition can come in the form of awards, accreditation, certification or designations of excellence – all of which can help patients and families identify quality care. We are proud to have received recognition for many of our programs and services. Below are some recent highlights.

Heart Attack, Stroke and Trauma Care

- Level II STEMI Center
- Level II Stroke Center
- Level III Trauma Center

Cancer Services

Accreditation by the Commission on Cancer
of the American College of Surgeons

Women's and Children's Services

Level II Nursery

*Supporting the Mission of
Lake Regional Health System*

An Invitation

You are invited to become a member of the Compass Society, a select group of caring and involved people who have made a personal pledge to promote health care excellence in our communities.

Your gift — in combination with others like it — provides vital funds.

Membership

Invitations to join the Compass Society are extended to those individuals who accept the challenge to support Lake Regional through a single gift of \$10,000 or \$25,000 or more.

In recognition of your support, you will receive:

- An invitation to recognition events
- Your company name included on business donor listings in hospital newsletters and on its website
- Your company listed in recognition area in the hospital
- Special invitations to hospital events and programs

Why Join Compass Society?

I want Lake Regional to be here for my family and me. As our community grows, the cost of providing quality health care also increases. Every year. Your gift helps enable Lake Regional to continue to enhance and expand services for years to come.

When you make a gift, you join with your fellow citizens who have taken a stand to assure that excellent health care continues to be available to us all.

Commitment to Caring

To better serve area residents, we are planning a three-story addition to house a new Cardiac Institute and expanded Cancer Center.

This addition will create a new area for cardiac care that brings together existing heart care clinics under one roof, with all of the diagnostic testing services needed to create a world-class experience for our patients. Also, Cancer Center services will be expanded to enhance patient privacy and comfort. Drawing the community together will help Lake Regional provide the best care for these diseases.

The future of this project largely depends upon our success in securing private support. With a projected cost of \$25 million, we need philanthropic partners like you who share our commitment to providing this optimal level of cancer and cardiac care to the community.

*“Honestly, there aren’t enough words to describe just how great this hospital and staff have been to me!”
– grateful patient*

*“Thank you for your kindness and great care...
We are truly grateful.” – family of patient*

**I/we would like to support
Lake Regional at the following level.**

- | | | |
|-------------------------------------|-----------------------------------|--------------|
| <input type="checkbox"/> \$100,000+ | <input type="checkbox"/> \$25,000 | Amounts |
| <input type="checkbox"/> \$75,000 | <input type="checkbox"/> \$10,000 | payable over |
| <input type="checkbox"/> \$50,000 | | 3-5 years |
