

Awards and Recognition

In health care, recognition can come in the form of awards, accreditation, certification or designations of excellence – all of which can help patients and families identify quality care. We are proud to have received recognition for many of our programs and services. Below are some recent highlights.

Heart Attack, Stroke and Trauma Care

- Level II STEMI Center
- Level II Stroke Center
- Level III Trauma Center

Cancer Services

Accreditation by the Commission on Cancer
of the American College of Surgeons

Women's and Children's Services

Level II Nursery

*Supporting the Mission of
Lake Regional Health System*

An Invitation

You are invited to join other friends of Lake Regional Health System who have created a personal legacy in support of health care programs and services through planned giving.

Through a planned gift, you partner with Lake Regional to ensure exceptional health care remains a reality for generations to come.

Ways to Give

Membership in Anchor Ambassadors is open to anyone regardless of gift size and there are many options. To select the best way to make a planned gift that supports the mission of Lake Regional while ensuring your family's financial security, we encourage you to consult your financial advisor and/or attorney.

Examples of legacy gifts include:

- Bequests through will or trust
- Gifts of cash, securities or personal property
- Life insurance
- Bequest of retirement assets
- Gift of IRA distributions or real estate
- Charitable remainder trust/annuity trust
- Charitable gift annuity/lead trust

Why Join Anchor Ambassadors?

I want to make a gift that reflects my lifelong values and aspirations. A planned gift has the power to create a legacy that will touch the lives of future generations of patients and caregivers. Making a legacy gift allows you to impact the lives of people here at the Lakes of the Ozarks and the communities we serve for years to come.

Commitment to Caring

To better serve area residents, we are planning a three-story addition to house a new Cardiac Institute and expanded Cancer Center.

This addition will create a new area for cardiac care that brings together existing heart care clinics under one roof, with all of the diagnostic testing services needed to create a world-class experience for our patients. Also, Cancer Center services will be expanded to enhance patient privacy and comfort. Drawing the community together will help Lake Regional provide the best care for these diseases.

The future of this project largely depends upon our success in securing private support. With a projected cost of \$25 million, we need philanthropic partners like you who share our commitment to providing this optimal level of cancer and cardiac care to the community.

"Your doctors and nurses saved my life this past year. I am forever grateful." – grateful patient

"Couldn't have asked for better staff. Everyone is amazing." – grateful patient

I/we are interested in creating a lasting legacy.

Please complete the following information.

- I/we qualify for recognition in Legacy Circle program. A provision has been made in my/our estate for Lake Regional Health System.
- I/we would like to learn more about planned giving opportunities. Please contact me/us using the information provided.

Name(s): *print name(s) as you wish it to appear for recognition purposes*

Address: _____

City/State/ZIP: _____

Phone: _____
