

The Summary of Benefits and Coverage (SBC) document will help you choose a health [plan](#). The SBC shows you how you and the [plan](#) would share the cost for covered health care services. **NOTE:** Information about the cost of this [plan](#) (called the [premium](#)) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, [Contact ETF at <https://etf.wi.gov/contact-us> or 1-877-533-5020. For general definitions of common terms, such as [allowed amount](#), [balance billing](#), [coinsurance](#), [copayment](#), [deductible](#), [provider](#), or other underlined terms, see the Glossary. You can view the Glossary at <https://www.healthcare.gov/sbc-glossary/> or call 1-877-533-5020 to request a copy.

| Important Questions                                                                   | Answers                                                                                                                                                                  | Why This Matters:                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            |
|---------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>What is the overall <a href="#">deductible</a>?</b>                                | Combined medical and pharmacy <a href="#">in-network provider</a> /services/pharmacy: \$2,000 individual/\$4,000 family                                                  | If you have other family members on the policy, the overall family <a href="#">deductible</a> must be met before the <a href="#">plan</a> begins to pay. <a href="#">Deductible</a> exceptions include office visit <a href="#">copays</a> and for federally required <a href="#">preventive services</a> . The <a href="#">deductible</a> starts over with each plan year beginning on January 1 <sup>st</sup> .                                                                                                                                                                                                                                                                            |
| <b>Are there services covered before you meet your <a href="#">deductible</a>?</b>    | Yes. <a href="#">Preventive care</a> and primary care services are covered before you meet your <a href="#">deductible</a> .                                             | This <a href="#">plan</a> covers some items and services even if you haven't yet met the <a href="#">deductible</a> amount. But a <a href="#">copayment</a> or <a href="#">coinsurance</a> may apply. For example, this <a href="#">plan</a> covers certain <a href="#">preventive services</a> without <a href="#">cost-sharing</a> and before you meet your <a href="#">deductible</a> . See a list of covered <a href="#">preventive services</a> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a>                                                                                            |
| <b>Are there other <a href="#">deductibles</a> for specific services?</b>             | No                                                                                                                                                                       | You don't have to meet <a href="#">deductibles</a> for specific services.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    |
| <b>What is the <a href="#">out-of-pocket limit</a> for this <a href="#">plan</a>?</b> | Combined medical and pharmacy <a href="#">in-network provider</a> /services/pharmacy: \$3,500 individual/ \$7,000 family                                                 | Families must meet full family <a href="#">out-of-pocket limit</a> before your <a href="#">plan</a> pays. The <a href="#">out-of-pocket limit</a> is the most you could pay during a coverage period (usually one year) for your share of the cost of covered services. This limit helps you plan for health care expenses.<br><br>The federal <a href="#">maximum out-of-pocket</a> is \$12,000 individual/\$24,000 family. This applies to all essential health benefits, including some services not included in the <a href="#">out-of-pocket limit</a> . (i.e. certain level 3 & 4 <a href="#">prescription drugs</a> and adult hearing aids covered under this <a href="#">plan</a> ). |
| <b>What is not included in the <a href="#">out-of-pocket limit</a>?</b>               | <a href="#">Premiums</a> and health care this <a href="#">plan</a> doesn't cover.                                                                                        | Even though you pay these expenses, they don't count toward the <a href="#">out-of-pocket limit</a> .                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |
| <b>Will you pay less if you use a <a href="#">network provider</a>?</b>               | Yes. See <a href="http://www.mercycarehealthplans.com">www.mercycarehealthplans.com</a> or call 1-800-895-2421- Option 5 for a list of <a href="#">network providers</a> | This <a href="#">plan</a> uses a <a href="#">provider network</a> . You will pay less if you use a <a href="#">provider</a> in the <a href="#">plan's network</a> . You will pay the most if you use an <a href="#">out-of-network provider</a> , and you might receive a bill from a provider for the difference between the <a href="#">provider's</a> charge and what your <a href="#">plan</a> pays ( <a href="#">balance billing</a> ). Be aware, your <a href="#">network provider</a> might use an <a href="#">out-of-network provider</a> for some services                                                                                                                          |

|                                                                              |    |                                                                                                                                                                                                              |
|------------------------------------------------------------------------------|----|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
|                                                                              |    | (such as lab work). Check with your <a href="#">provider</a> before you get services                                                                                                                         |
| Do you need a <a href="#">referral</a> to see a <a href="#">specialist</a> ? | No | You can see the <a href="#">specialist</a> you choose without a <a href="#">referral</a> . However, it is recommended you get a <a href="#">referral</a> to an orthopedist or neurosurgeon for low back pain |

 All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.

| Common Medical Event                                                   | Services You May Need                                  | What You Will Pay                                                  |                                                         | Limitations, Exceptions, & Other Important Information                                                                                                                                                                                                                                                                                                                     |

**Your Rights to Continue Coverage:** There are agencies that can help if you want to continue your coverage after it ends. The contact information for those agencies is: Department of Labor's Employee Benefits Security Administration at 1-866-444-EBSA (3272) or [www.dol.gov/ebsa/healthreform](http://www.dol.gov/ebsa/healthreform) and the Wisconsin Office of the Commissioner of Insurance at (800) 236-8517 or [www.oci.wi.gov](http://www.oci.wi.gov). Other coverage options may be available to you, too, including buying individual insurance coverage through the [Health Insurance Marketplace](#). For more information about the [Marketplace](#), visit [www.HealthCare.gov](http://www.HealthCare.gov) or call 1-800-318-2596.

**Your Grievance and Appeals Rights:** There are agencies that can help if you have a complaint against your [plan](#) for a denial of a [claim](#). This complaint is called a [grievance](#) or [appeal](#). For more information about your rights, look at the explanation of benefits you will receive for that medical [claim](#). Your [plan](#) documents also provide complete information on how to submit a [claim](#), [appeal](#), or a [grievance](#) for any reason to your [plan](#). For more information about your rights, this notice, or assistance, contact: MercyCare Health Plans at 1-800-895-2421 or TTY 711 or ETF at 1-877-533-5020 or [www.etf.wi.gov](http://www.etf.wi.gov)

#### Does this plan provide Minimum Essential Coverage? Yes

[Minimum Essential Coverage](#) generally includes [plans](#), [health insurance](#) available through the [Marketplace](#) or other individual market policies, Medicare, Medicaid, CHIP, TRICARE, and certain other coverage. If you are eligible for certain types of [Minimum Essential Coverage](#), you may not be eligible for the [premium tax credit](#).

#### Does this plan meet the Minimum Value Standards? Yes

If your [plan](#) doesn't meet the [Minimum Value Standards](#), you may be eligible for a [premium tax credit](#) to help you pay for a [plan](#) through the [Marketplace](#).

*To see examples of how this [plan](#) might cover costs for a sample medical situation, see the next section.*

**PRA Disclosure Statement:** According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is **0938-1146**. The time required to complete this information collection is estimated to average **0.08** hours per response, including the time to review instructions, search existing data resources, gather the data needed, and complete and review the information collection. If you have comments concerning the accuracy of the time estimate(s) or suggestions for improving this form, please write to: CMS, 7500 Security Boulevard, Attn: PRA Reports Clearance Officer, Mail Stop C4-26-05, Baltimore, Maryland

**This is not a cost estimator.** Treatments shown are just examples of how this [plan](#) might cover medical care. Your actual costs will be different depending on the actual care you receive, the prices your [providers](#) charge, and many other factors. Focus on the [cost-sharing](#) amounts ([deductibles](#), [copayments](#) and [coinsurance](#)) and [excluded services](#) under the [plan](#). Use this information to compare the portion of costs you might pay under different health [plans](#). Please note these coverage examples are based on self-only coverage.

The [plan](#) would be responsible for the other costs of these EXAMPLE covered services.

### Peg is Having a Baby

(9 months of in-network pre-natal care and a hospital delivery)

|                                                                 |         |
|-----------------------------------------------------------------|---------|
| ■ The <a href="#">plan's</a> overall <a href="#">deductible</a> | \$2,000 |
| ■ <a href="#">Specialist</a> [ <a href="#">copay</a> ]          | \$25    |
| ■ Hospital (facility) [ <a href="#">coinsurance</a> ]           | 10%     |
| ■ Other [ <a href="#">coinsurance</a> ]                         | 10%     |

This EXAMPLE event includes services like:

[Specialist](#) office visits (*prenatal care*)  
 Childbirth/Delivery Professional Services  
 Childbirth/Delivery Facility Services  
[Diagnostic tests](#) (*ultrasounds and blood work*)  
[Specialist](#) visit (*anesthesia*)

|                           |                 |
|---------------------------|-----------------|
| <b>Total Example Cost</b> | <b>\$12,700</b> |
|---------------------------|-----------------|

In this example, Peg would pay:

| Cost Sharing                      |                |
|-----------------------------------|----------------|
| <a href="#">Deductibles</a>       | \$2,000        |
| <a href="#">Copayments</a>        | \$30           |
| <a href="#">Coinsurance</a>       | \$1,000        |
| What isn't covered                |                |
| Limits or exclusions              | \$0            |
| <b>The total Peg would pay is</b> | <b>\$3,030</b> |

### Managing Joe's Type 2 Diabetes

(a year of routine in-network care of a well-controlled condition)

|                                                                 |         |
|-----------------------------------------------------------------|---------|
| ■ The <a href="#">plan's</a> overall <a href="#">deductible</a> | \$2,000 |
| ■ <a href="#">Specialist</a> [ <a href="#">copay</a> ]          | \$25    |
| ■ Hospital (facility) [ <a href="#">coinsurance</a> ]           | 10%     |
| ■ Other [ <a href="#">coinsurance</a> ]                         | 10%     |

This EXAMPLE event includes services like:

[Primary care physician](#) office visits (*including disease education*)  
[Diagnostic tests](#) (*blood work*)  
[Prescription drugs](#)\*\*  
[Durable medical equipment](#) (*glucose meter*)

|                           |                |
|---------------------------|----------------|
| <b>Total Example Cost</b> | <b>\$5,600</b> |
|---------------------------|----------------|

In this example, Joe would pay:

| Cost Sharing                      |                  |
|-----------------------------------|------------------|
| <a href="#">Deductibles</a>       | \$2,000          |
| <a href="#">Copayments</a>        | \$200**          |
| <a href="#">Coinsurance</a>       | \$800**          |
| What isn't covered                |                  |
| Limits or exclusions              | \$0              |
| <b>The total Joe would pay is</b> | <b>\$3,000**</b> |

### Mia's Simple Fracture

(in-network emergency room visit and follow up care)

|                                                                 |         |
|-----------------------------------------------------------------|---------|
| ■ The <a href="#">plan's</a> overall <a href="#">deductible</a> | \$2,000 |
| ■ <a href="#">Specialist</a> [ <a href="#">copay</a> ]          | \$25    |
| ■ Hospital (facility) [ <a href="#">coinsurance</a> ]           | 10%     |
| ■ Other [ <a href="#">coinsurance</a> ]                         | 10%     |

This EXAMPLE event includes services like:

[Emergency room care](#) (*including medical supplies*)  
[Diagnostic test](#) (*x-ray*)  
[Durable medical equipment](#) (*crutches*)  
[Rehabilitation services](#) (*physical therapy*)

|                           |                |
|---------------------------|----------------|
| <b>Total Example Cost</b> | <b>\$2,800</b> |
|---------------------------|----------------|

In this example, Mia would pay:

| Cost Sharing                      |                |
|-----------------------------------|----------------|
| <a href="#">Deductibles</a>       | \$2,000        |
| <a href="#">Copayments</a>        | \$125          |
| <a href="#">Coinsurance</a>       | \$10           |
| What isn't covered                |                |
| Limits or exclusions              | \$0            |
| <b>The total Mia would pay is</b> | <b>\$2,135</b> |

\*\*Note: These numbers assume the patient does not participate in the plan's wellness program. If you participate in the plan's wellness program, you may be able to reduce your costs.
