Important Questions	Answers	Why This Matters:
<b>What is the overall deductible?</b>	\$4,250 single/ \$8,500 family	<b>No deductible-</b> See the Common Medical Events chart below for your costs for services this plan covers.
<b>Are there services covered before you meet your deductible?</b>	Yes. Preventative care services are covered before you meet your deductible.	This plan covers some items and services even if you haven't yet met the annual deductible amount. But a copayment or coinsurance may apply.
<b>Are there other deductibles for specific services?</b>	No	You don't have to meet <b>deductibles</b> for specific services.
<b>What is the <u>out-of-pocket limit</u> for this plan?</b>	\$7,900 single/\$15,800 family	The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan, they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met.
<b>What is not included in the <u>out-of-pocket limit</u>?</b>	Premiums, balance-billed charges, and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the <b>out-of-pocket limit</b> .
<b>Will you pay less if you use a <u>network provider</u>?</b>	Yes. See <a href="https://mercycarehealthplans.com/provider-directory/">https://mercycarehealthplans.com/provider-directory/</a> or call 1-800-895-2421 for a list of <b>network providers</b> .	This plan uses a provider network. You will pay less if you use a provider in the plan's network. You will pay the most if you use an out-of-network provider, and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (a balance bill).
<b>Do you need a <u>referral</u> to see a <u>specialist</u>?</b>	No	You can see an in-network specialist you choose without a referral.

 All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a deductible applies.
