Important Questions	Answers	Why This Matters:
What is the overall <u>deductible</u> ?	\$ 1,500 Single/ \$3,000 Family	Deductible- Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay.
Are there services covered before you meet your <u>deductible</u> ?	Yes. Preventative care services are covered before you meet your deductible.	This plan covers some items and services even if you haven't yet met the annual deductible amount. But a copayment or coinsurance may apply.
Are there other <u>deductibles</u> for specific services?	No	You don't have to meet <u>deductibles</u> for specific services.
What is the <u>out-of-pocket limit</u> for this plan?	Yes \$4,250 Single / \$8,500 family	The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan, they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met.
What is not included in the <u>out-of-pocket limit</u> ?	Premiums, balance-billed charges, and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
Will you pay less if you use a <u>network provider</u> ?	Yes. See https://mercycarehealthplans.com/provider-directory/ or call 1-800-895-2421 for a list of <u>network providers</u> .	This plan uses a provider network. You will pay less if you use a provider in the plan's network. You will pay the most if you use an out-of-network provider, and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (a balance bill).
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No	You can see the specialist you choose without a referral.

 All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a deductible applies.
