Important Questions	Answers	Why This Matters:
What is the overall <u>deductible</u> ?	\$0	Deductible- See the Common Medical Events chart below for your costs for services this plan covers.
Are there services covered before you meet your <u>deductible?</u>	Yes. Preventative care services are covered before you meet you deductible.	This plan covers some items and services even if you haven't yet met the annual deductible amount. But a copayment or coinsurance may apply.
Are there other <u>deductibles</u> for specific services?	No	You don't have to meet <u>deductibles</u> for specific services.
What is the <u>out-of-pocket</u> <u>limit</u> for this plan?	\$3,000 single/\$6,000 family	The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan, they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met.
What is not included in the <u>out-of-pocket limit</u> ?	Premiums, balance-billed charges, and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit.
Will you pay less if you use a <u>network provider</u> ?	Yes. See https://mercycarehealthplans.com/ provider-directory/ or call 1-800- 895-2421 for a list of <u>network</u> providers.	This plan uses a provider network. You will pay less if you use a provider in the plan's network. You will pay the most if you use an out-of-network provider, and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (a balance bill).
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No	You can see an in-network specialist you choose without a referral.

All **<u>copayment</u>** and **<u>coinsurance</u>** costs shown in this chart are after your **<u>deductible</u>** has been met, if a deductible applies.

This is not a cost estimator. Treatments shown are just examples of how this <u>plan</u> might cover medical care. Your actual costs will be different depending on the actual care you receive, the prices your <u>providers</u> charge, and many other factors. Focus on the cost sharing amounts (<u>deductibles</u>, <u>copayments</u> and <u>coinsurance</u>) and excluded services under the plan. Use this information to compare the portion of costs you might pay under different health plans. Please note these coverage examples are based on self-only coverage.
