

IT'S YOUR CHOICE

2018

Decision Guide

Local Traditional Plan
Insurance for Employees
and Retirees

**ACTION
REQUIRED**

Your health plan may not be available in 2018. You may need to choose a new health plan.

KNOW YOUR BENEFIT ENROLLMENT OPPORTUNITIES

There are certain times throughout the year when you may enroll in health and supplemental insurance benefits, or change your coverage. Visit It's Your Choice 2018 at etf.wi.gov/IYC2018 to learn more about choices available to you, view an eLearning and see instructions on how to enroll. You can also request a paper application from your payroll or benefits office if you are an employee, or from the Department of Employee Trust Funds if you are a retiree.

OPEN ENROLLMENT: OCTOBER 2 - 27, 2017

This is your opportunity to change health plans, change from family to individual coverage, enroll if you had previously deferred coverage, cancel coverage for yourself or an adult dependent child and more. Open enrollment is available to employees, currently insured retirees, COBRA continuants, surviving spouses and dependents. Changes become effective January 1, 2018.

Generally, if you are not changing coverage, you don't need to do anything. Be aware available health plans are changing for 2018; review important changes.

NEW EMPLOYEES

If you are electing health insurance coverage, you must enroll within 30 days of your date of hire (in an eligible position), or first eligible appointment. Coverage will be effective on the first of the month on or following your hire date, or on the date you are eligible for an employer contribution, whichever you choose. Check with your payroll or benefits office to find out when your employer contribution begins. If you choose to start your coverage before you receive employer contributions, you will pay the full premium.

LIFE CHANGE EVENT

Did you recently have a change in marital status, add a dependent, have an eligible move to a new county or have another life change event? You may be able to enroll or change your coverage outside of the open enrollment period. There are various rules related to life change events. Check out the *Life Change Event Guide* on the Resources tab at etf.wi.gov/IYC2018 to see what your options are and how long you have to submit an application to enroll or make a change.

RETIREE

When you retire, your health insurance plan (if you are enrolled) will automatically continue in most circumstances. If you terminate employment after 20 years of creditable service but are not eligible for an immediate annuity, you may continue your coverage by filing a *Continuation-Conversion Notice* (ET-2311) form with ETF within 90 days of your employment termination date. This form is available online or by contacting ETF.

MEDICARE

If you are eligible for Medicare, you and your Medicare-eligible dependents must be enrolled in the hospital (Part A) and medical (Part B) portions of Medicare at the time of your retirement, as soon as you turn age 65 or have another Medicare enrollment opportunity. You will then automatically be enrolled in the prescription drug (Part D) plan, Navitus MedicareRx, offered by Navitus. Because all It's Your Choice plans have coverage options that are coordinated with Medicare, you will remain covered by your health plan even after you enroll in Medicare. Please contact ETF if you do not receive the required *Medicare Eligibility Statement* (ET-4307) at least one month before your 65th birthday, or if you have been on Social Security disability for 24 months.

TAKE ACTION CHECKLIST

STEP 1 Choose a Plan Design

Pages 3 - 4 highlight the available plan design options and compare key factors such as monthly payments, coverage levels and out-of-network benefits availability.

Pages 5 - 6 highlight the available Medicare plan design options and compare key factors such as monthly payment, coverage area and costs of commonly used benefits.

Consider your annual medical expenses or any upcoming medical procedures you may need as you make your selection.

STEP 2 Choose a Health Plan

Pages 7 - 12 provide maps with available health plans, health plan quality ratings and premium rates.

Things to Consider:

- Uniform Benefits means that all health plans provide the same in-network benefits.
- Out-of-Network services are generally not covered by most plans. Check the provider directories on the Map tab at etf.wi.gov/IYC2018 to ensure your plan covers providers where you live or choose to receive services.
- Quality matters. Visit etf.wi.gov/IYC2018 to see health plan report cards for performance and quality ratings.

STEP 3 Consider Supplemental Benefits

Things to Consider:

- Check with your benefits office to see if your employer is offering the Uniform Dental Benefit. If the Uniform Dental Benefit is an option for you, see **page 13** for details.

STEP 4 Take Action

Visit the Enrollment tab at etf.wi.gov/IYC2018 for instructions on how to enroll or make changes. Contact ETF or your payroll/benefits office if you have questions.

STEP 5 Stay Informed

Sign up for *What's New* and *IYC E-Alerts: Health & Wellness* along with any other topics of interest. Visit etf.wi.gov and look for the red envelope for ETF E-mail Updates.

MEDICAL BENEFITS (ACTION REQUIRED)

All participants must select a primary care provider. If you don't have one, contact your health plan for help.

No Domestic Partner Coverage

Due to a state budget proposal, it's likely that domestic partners will not be covered in 2018. For updates on this legislation and other important information, visit etf.wi.gov to sign up for ETF Email Updates. 

Local Access Plan

View in-network benefit changes on page 4. See etf.wi.gov/IYC2018 for out-of-network benefit changes and an eLearning. You will receive information in the mail from your health plan.

State Maintenance Plan (SMP) Changes

SMP is no longer available in Bayfield, Buffalo, Marquette, Menominee, Pepin and Vilas counties. There will not be Minnesota providers offered in 2018. If you use providers in these areas, you must select another plan or be limited to the SMP providers available in 2018.

SMP will be newly available in Price County.

SMP now offers some out-of-network benefits; see plan details on the Map tab at etf.wi.gov/IYC2018.
