Insurance for Retirees  
and COBRA Continuants

ET-2108 (8/31/2022)

# About This Guide

This guide provides a high-level overview of benefits available to you for 2023; open enrollment is **September 26 to October 21, 2022**. For complete information, visit [etf.wi.gov/insurance](https://etf.wi.gov/insurance)

## Your Enrollment Checklist

### I'm happy with my benefits

#### Review changes for next year

Each year there are changes to your benefits. Make sure that your plan is still available in your area.

- You do not need to re-enroll in health, dental, or vision insurance each year if you want to keep the same coverage you have now. Double check that your providers are still available.
- Every year, you *do* need to re-enroll for other options, such as an HSA account.

#### Make sure your doctors are still covered

Go to our website to see the provider directory for your health plan.

If you are not changing health coverage, no action is needed.

HDHP participants only

#### Re-enroll in your Health Savings Account (HSA)

You must re-enroll each year. Visit our website for enrollment instructions.

### I'd like to make a change or I'm new

#### Follow these steps:

##### **Are you a non-Medicare retiree?**

You can use Benefits Mentor, our virtual benefits counselor at [etf.wi.gov/benefits-mentor](https://etf.wi.gov/benefits-mentor) to get started. The tool will ask you questions about your health care needs and pull up your claims information from last year (if available). It will make personalized plan design recommendations after considering your medical needs and what is most important to you when choosing a health plan.

##### **Are you a retiree with Medicare and non-Medicare members on your health insurance?**

Pick a Medicare health plan.

- If IYC Medicare Advantage or Medicare Plus is selected, then pick a second plan for your non-Medicare members.
- If Health Plan Medicare is selected, your non-Medicare members will have the same health plan, just the non-Medicare version.

##### **Are you a retiree with Medicare and all members on your health insurance are enrolled in Medicare Parts A and B?**

Pick a Medicare health plan. All members will have the same health plan.

#### Enroll

Once you've used Benefits Mentor or followed the steps in this book, complete a *Group Health Insurance Application/Change for Retirees (ET-2331)*, available online or from ETF.

Do you have questions? Contact ETF at 1-877-533-5020.

## Boost Your Protection!

The best way to stop the spread of COVID-19 is to get vaccinated and keep up to date on booster doses. COVID-19 vaccines are covered by the medical and pharmacy benefit for all non-Medicare members, and by the medical benefit (Part B) for Medicare members.

Visit [etf.wi.gov/insurance/health-pharmacy/your-health-benefits-and-covid-19](https://etf.wi.gov/insurance/health-pharmacy/your-health-benefits-and-covid-19) for the latest COVID-19 information.

## Health Plan Quality

Each year, participating health plans are evaluated on key care delivery areas, such as wellness, prevention, disease management, customer satisfaction, and efficient use of resources. Participating health plans report health care quality outcomes to leading national organizations, such as the National Committee for Quality Assurance (NCQA) and the Centers for Medicare & Medicaid Services (CMS). Visit [etf.wi.gov](https://www.etf.wi.gov) for more information about health plan quality. You can use these quality resources to help make an informed decision about which health plan is right for you.

For all participants

## Step 3: Consider Supplemental Benefits

Get even more coverage by signing up for vision or dental insurance.

HDHP participants: don't forget to enroll in a Health Savings Account to save pre-tax money for health care expenses. You must enroll each year.

### Health Savings Account (HSA)

HDHP participants only

Use for health care expenses or additional retirement savings

#### What's special about the account:

- You own it - the money stays with you even if you switch health plans
- Money in your account earns interest and when you have over \$1,000, you can invest your money in mutual funds
- Money is available as it is deposited
- After you turn 65, you can withdraw money for any purpose without penalty (though it will be taxed)

You must re-enroll each year. Visit [myoptumfinancial.com/etf](https://myoptumfinancial.com/etf) for enrollment instructions and a copy of the retiree application. To be eligible, you cannot have any other health coverage that pays for out-of-pocket health care expenses before you meet your IYC HDHP deductible, including Medicare A and B.

Retirees that opt out of the HDHP but keep an HSA open and active with Optum Financial will pay a monthly administrative service fee. Retirees enrolled in the HDHP/HSA benefit option are not required to pay the monthly administrative fee.
