

## PROVIDER MEMO

**To:** Santa Clara Family Health Plan Primary Care Providers  
**From:** Provider Network Operations  
**Date:** January 12, 2022  
**Subject:** Provider Performance Program updates for calendar year 2022

---

Dear Primary Care Providers,

We are pleased to announce that we will continue to offer the Provider Performance Program (PPP) in 2022. In support of changes made by the National Committee for Quality Assurance (NCQA), PPP metrics have been updated to reflect the retirement and introduction of the measures featured below. Please note that all other metrics not listed below are still a part of the 2022 Provider Performance Program.

Retired measures	New measures
<ul style="list-style-type: none"><li>Weight Assessment and Counseling for Nutrition and Physical Activity for Children/Adolescents (WCC)</li></ul>	<ul style="list-style-type: none"><li>Developmental Screenings (DEV)</li><li>Lead Screening in Children (LSC)</li><li>Trauma Screenings (TRS)</li></ul>

We will be posting the 2022 iteration of our Provider Performance Program Technical Specifications to our website at <https://www.scfhp.com/for-providers/quality-improvement-program/> and will distribute a memo once it is made available.

Questions or comments may be relayed to the Santa Clara Family Health Plan Provider Performance Program team via email at [ProviderPerformance@scfhp.com](mailto:ProviderPerformance@scfhp.com).

Thank you for continuing to provide our members with the care that you do during this unprecedented time.
