Subject: **Affordable Care Act (ACA) Payments**

Dear Provider:

Santa Clara Family Health Plan (SCFHP) continues to process the ACA payment increases for eligible providers. This notice to advise providers that the next check run is scheduled for the end of October 2014. This check run will capture newly attested providers on the state database as of September 5, 2014 compared to June 4, 2014. It will be for activities in contract year 2013. SCFHP is not processing 2014 data at this time.

If you are directly contracted with SCFHP, please call our Provide Services Department with any questions at 1-408-874-1788.

If you are contracted with SCFHP through one of our contract provider groups, such as PMG, PAMF or Premier Care, please contact your provider group with any questions.

Thank you.
