Dear Provider:

As of April 1, 2015, Santa Clara Family Health Plan (SCFHP) discontinued use of the Healthcare Common Procedure Coding System (HCPCS) level III local codes and replaced them with HCPCS level II national HIPAA compliant codes. As a courtesy, all claims received by SCFHP with dates of service on or after April 1, 2015 through today, May 11, 2015, will be reprocessed for payment. Any claims with dates of service on or after May 12, 2015 must be submitted with the new national codes.

To view the complete code conversion with instructions, visit the Department of Health Care Services (DHCS) website at http://files.medi-cal.ca.gov/pubsdoco/newsroom/newsroom_21574_1.asp.

If you have any questions, please contact SCFHP Provider Services at **1-408-874-1788**.
