

Santa Clara Family Health Plan Cal MediConnect Plan (Medicare-Medicaid Plan) 2020 List of Durable Medical Equipment (DME List)

What is Durable Medical Equipment?

Durable medical equipment (DME) is certain items your doctor orders for you to use at home. Examples are walkers, wheelchairs, or hospital beds.

What equipment does my health plan cover?

Santa Clara Family Health Plan Cal MediConnect Plan (Medicare-Medicaid Plan) will cover all medically necessary DME provided by a contracted vendor. Covered items include, but are not limited to: wheelchairs, crutches, hospital beds, nebulizers, oxygen equipment, intravenous (IV) infusion pumps, walkers and speech generating devices.

How do I use this list?

For some DME, we will only cover the brands and makers on this list. Refer to the next page. We will not cover other brands and makers unless your doctor or other provider tells us that you need a specific brand for medical reasons. Prior authorization may be required.

However, if you are new to the Santa Clara Family Health Plan (SCFHP) Cal MediConnect Plan, and are using a brand of DME that is not on our list, we will continue to pay for this brand for you for up to 90 days. During this time, you should talk with your doctor to decide what brand is medically right for you after this 90-day period. (If you disagree with your doctor, you can ask him or her to refer you for a second opinion).

What if equipment I need is not on this list?

Items not on this list may still be covered. We will cover all medically necessary DME provided by a contracted vendor. Talk with your doctor if you have questions.
