Subject: Relief funds available for Medi-Cal providers

Dear valued provider,

The U.S. Department of Health and Human Services (HHS) created the Provider Relief Fund, a \$15 billion aid package made available to eligible Medi-Cal providers. This funding is specifically intended to supply relief to Medi-Cal and Children's Health Insurance Program (CHIP) providers experiencing lost revenues or increased expenses due to COVID-19.

To be eligible for this funding, you must:

- Not have received payments from the \$50 billion Provider Relief Fund General Distribution, **and**
- Have directly billed Medi-Cal/CHIP programs or managed care plans for healthcare-related services between January 1, 2018, and May 31, 2020.

Additional program details and eligibility criteria are available at <https://www.hhs.gov/coronavirus/cares-act-provider-relief-fund/index.html>.

This communication is for informational purposes. While Santa Clara Family Health Plan (SCFHP) is neither able to answer program-specific questions nor guide providers through the Provider Relief Fund process, you are always welcome to write us at ProviderServices@scfhp.com with any questions, comments, or concerns.
