Dear Plan Partners,

Santa Clara Family Health Plan (SCFHP) is partnering with the Santa Clara County Office of Education, the Santa Clara County Behavioral Health Services Department, and a contracted survey research vendor, SRI, to conduct virtual focus groups and one-on-one interviews for program county stakeholders related to the Student Behavioral Health Incentive Program (SBHIP). The sessions are intended to inform a county-wide needs assessment of children and youth behavioral health needs.

There are 60-minute, virtual sessions available to SCFHP behavioral health providers between today and next week. To sign up for a time slot, please use the provided link: <https://bit.ly/SCountyFocusGrp>.
