SENIOR LIVING

Happy August from Country Gardens

Our August Spotlight belongs to resident Dorothy Hensel. She has been a resident here since 2018. We asked her some questions and here is what she had to say:

Where did you move from?

"I have lived in Sebewaing my entire married life."

What is your favorite thing about Country Gardens?

"Love the employees very easy to get along with and they help out whenever you need it."

What is your favorite past-time?

"I enjoy gardening, flower arranging, and sewing.

Please share a fun fact about yourself:

"Every year I went to Florida we had a home. I have also been to Hawaii."

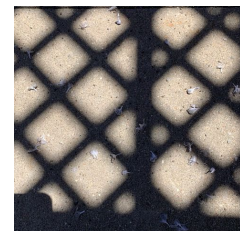

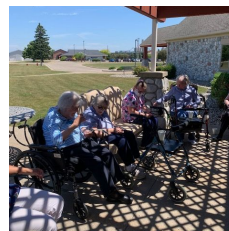

Happy Birthday Jan!

Happy Birthday Judy!

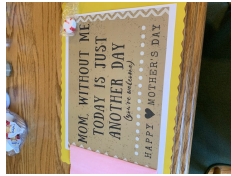

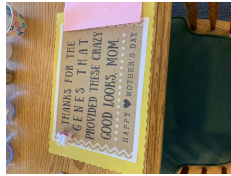

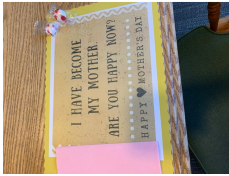

Happy Birthday Lois!

Happy Birthday Chief!

We celebrated 4th of July with an afternoon on the porch. The residents made lots of noise with pop-its. Happy 4th of July!

Our annual Mother's Day Tea back in May had to be cancelled due to the Covid 19 pandemic. However, in July we decided to go ahead with the tea and invited all the residents. We had a great time!

4th of July was a big celebration here at Country Gardens. Shout-out to Lisa, Betsy and Becky for a great

noon meal. A spirited bingo game followed in the afternoon.

The residents enjoyed a treat of Cracker Jacks on the patio. They learned the history of the old fashioned treat enjoyed by millions of baseball fans over many generations.

One of our residents Miss Cora has a sign right outside her door. When I am out walking I purposely walk to her door to read the message. Sometimes, it is just what I need and sometimes it is just what the world needs. In all of our folks of a "certain generation" there is so much wisdom that needs to be shared. So, now I get to share these messages with all of you.
