We will be holding a shelf decorating contest!! If you would like to participate we will be spending the next couple Thursdays preparing for our **surprise judge** to come in and pick the best and most creative shelf for a prize! We have 4 categories to choose from, Religion, Patriotic, Autumn, or Family. You can have any staff member assist you in decorating your shelf and we will have some supplies that you can purchase at the Country Fun Shoppe!

Bird of the Week
Rock Dove

Fun Facts:

Rock doves eat seeds including corn, oats, cherry, and barley. In cities, pigeons also eat popcorn, cake, peanuts, and bread.

Rock Pigeons do not migrate. However if displaced from a nesting area, they have a good homing ability and can return from long distances.

Keep an eye out in our feeders for these guys! We will be putting food out for them all week!
